Notice of NCAA Probation

From 2007 to 2010 the University of Nebraska unintentionally reimbursed student-athletes for recommended textbooks as well as required textbooks through a failure to properly administer and monitor book scholarships. Only reimbursement for required books is permissible under NCAA rules. As a result, the NCAA placed the University of Nebraska on two-year probation, beginning in January of 2012. The NCAA did not impose additional penalties such as loss of scholarships, forfeiture of games, or a ban on postseason play. Rather, as a condition of probation, Nebraska will continue to educate student-athletes and staff thoroughly on NCAA bylaws and will notify prospective student-athletes of its probationary status.

THIS IS NEBRASKA

Since the arrival of Head Coach Gary Pepin in 1981, Nebraska track and field has been one of the nation's most dominant programs. Under Pepin, the Huskers have totaled three national titles, 77 individual national champions, 603 All-Americans, 885 conference champions, 44 Big Eight team titles, 23 Big 12 team championships and one Big Ten team title.

The Huskers' drive for success has not been limited to the oval. It has carried over to the classroom, where Nebraska track and field student-athletes have earned 46 CoSIDA Academic All-America honors.

Nebraska's seasoned staff features six full-time coaches with more than 170 years of college coaching experience. Stability is a key at Nebraska, as two of Pepin's assistants have been with the program for 15 or more years, including Billy Maxwell (18th season) and Matt Martin (17th season).

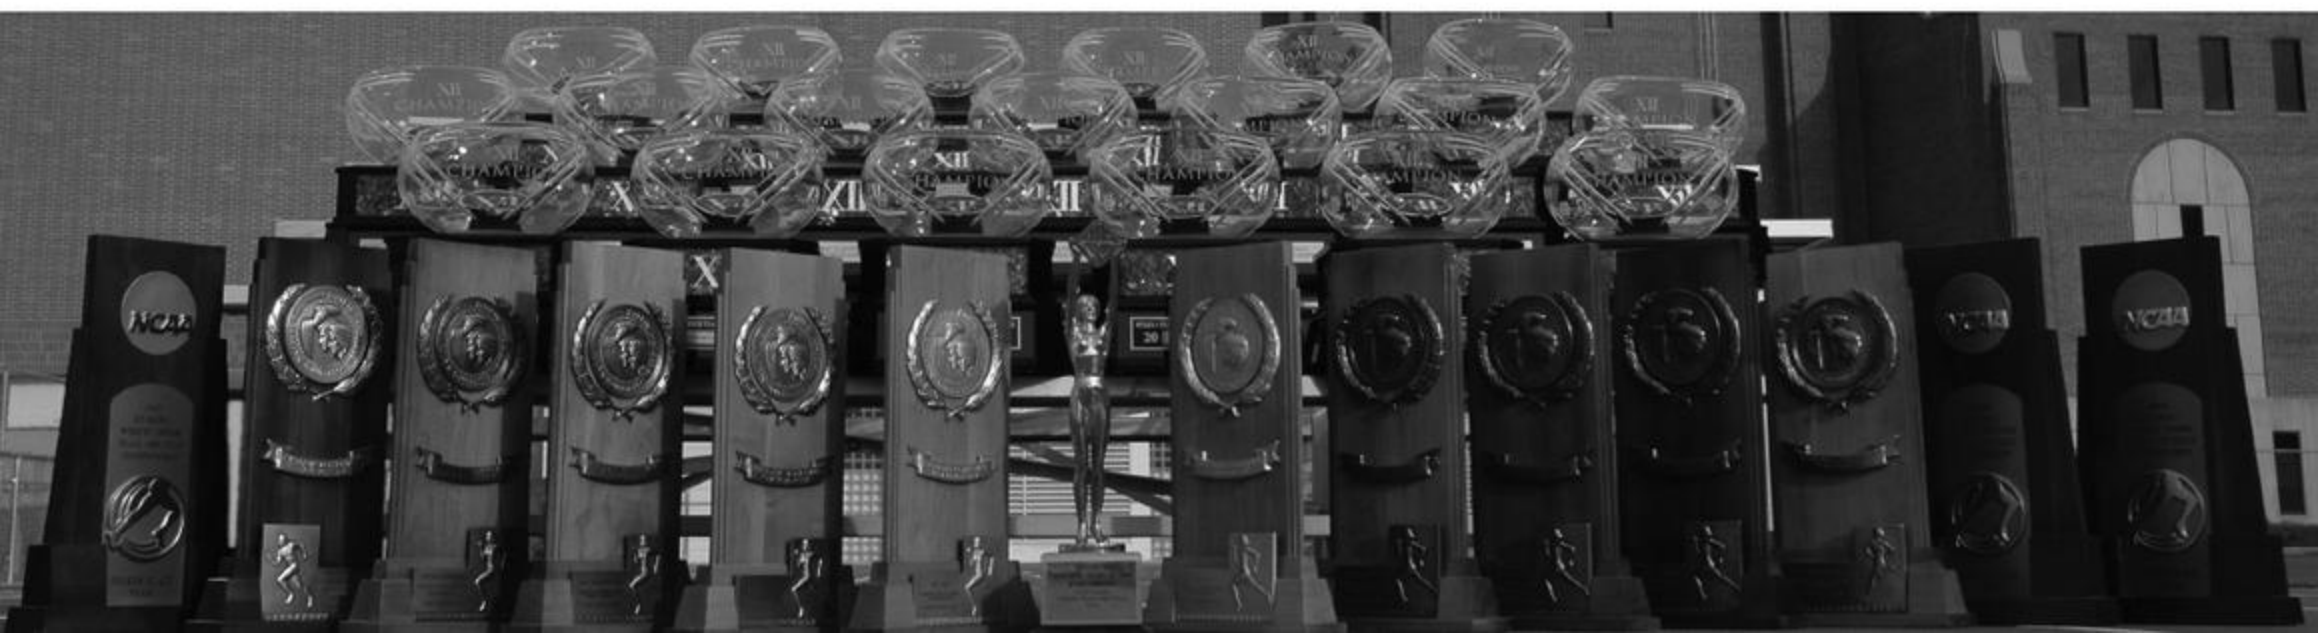

In his 32 seasons, Head Coach Gary Pepin has coached at least one jumper to All-America honors every year except 1982. In 2012, Pepin coached his jumpers to one All-America honor and two Big Ten titles.

TRACK & FIELD

Chad Wright earned the 2012 NCAA discus title with a throw of 206-3.

- 3** The Husker women won three straight national titles from 1982 to 1984
- 46** Husker track and field athletes have earned a prestigious 46 CoSIDA Academic All-America awards
- 29** With a tie for fifth on the men's side at the 2009 NCAA Indoor Championships, the Huskers have placed among the top five teams at the national meet 29 times
- 48** One of the Huskers' 48 Olympians, Priscilla Lopes-Schliep earned a bronze medal in the 100-meter hurdles at the 2008 Olympic Games in Beijing
- 77** Chad Wright became the program's 77th NCAA champion in 2012 with a win in the discus
- 104** The 2012 Husker women won the program's 104th conference team title during the indoor season.
- 603** Dating back to 1976, the Huskers have earned 603 All-America honors, with at least one every year, including eight honors in 2012
- 885** 11 individual conference titles were earned last season, growing the Huskers' total to 885 conference titles

603 All-Americans 77 National Champions

The Nebraska track and field team is a force every year at the NCAA Championships, including last year when the Huskers earned eight All-America honors. The women's team won back-to-back-to-back national titles from 1982 to 1984 while most recently finishing in the top 20 at the NCAA Indoor Championships five times in the past 11 years. Outdoors, the women's team has secured 21 top-25 finishes in the past 25 seasons, including top-10 finishes from 2002 to 2006. The men's team has been among the top 25 at 17 of the last 20 indoor championships, including a tie for fifth in 2009. Outdoors, the men have finished in the top 20 at eight of the last nine meets, including top-15 finishes in 2003, 2004, 2006 and 2012.

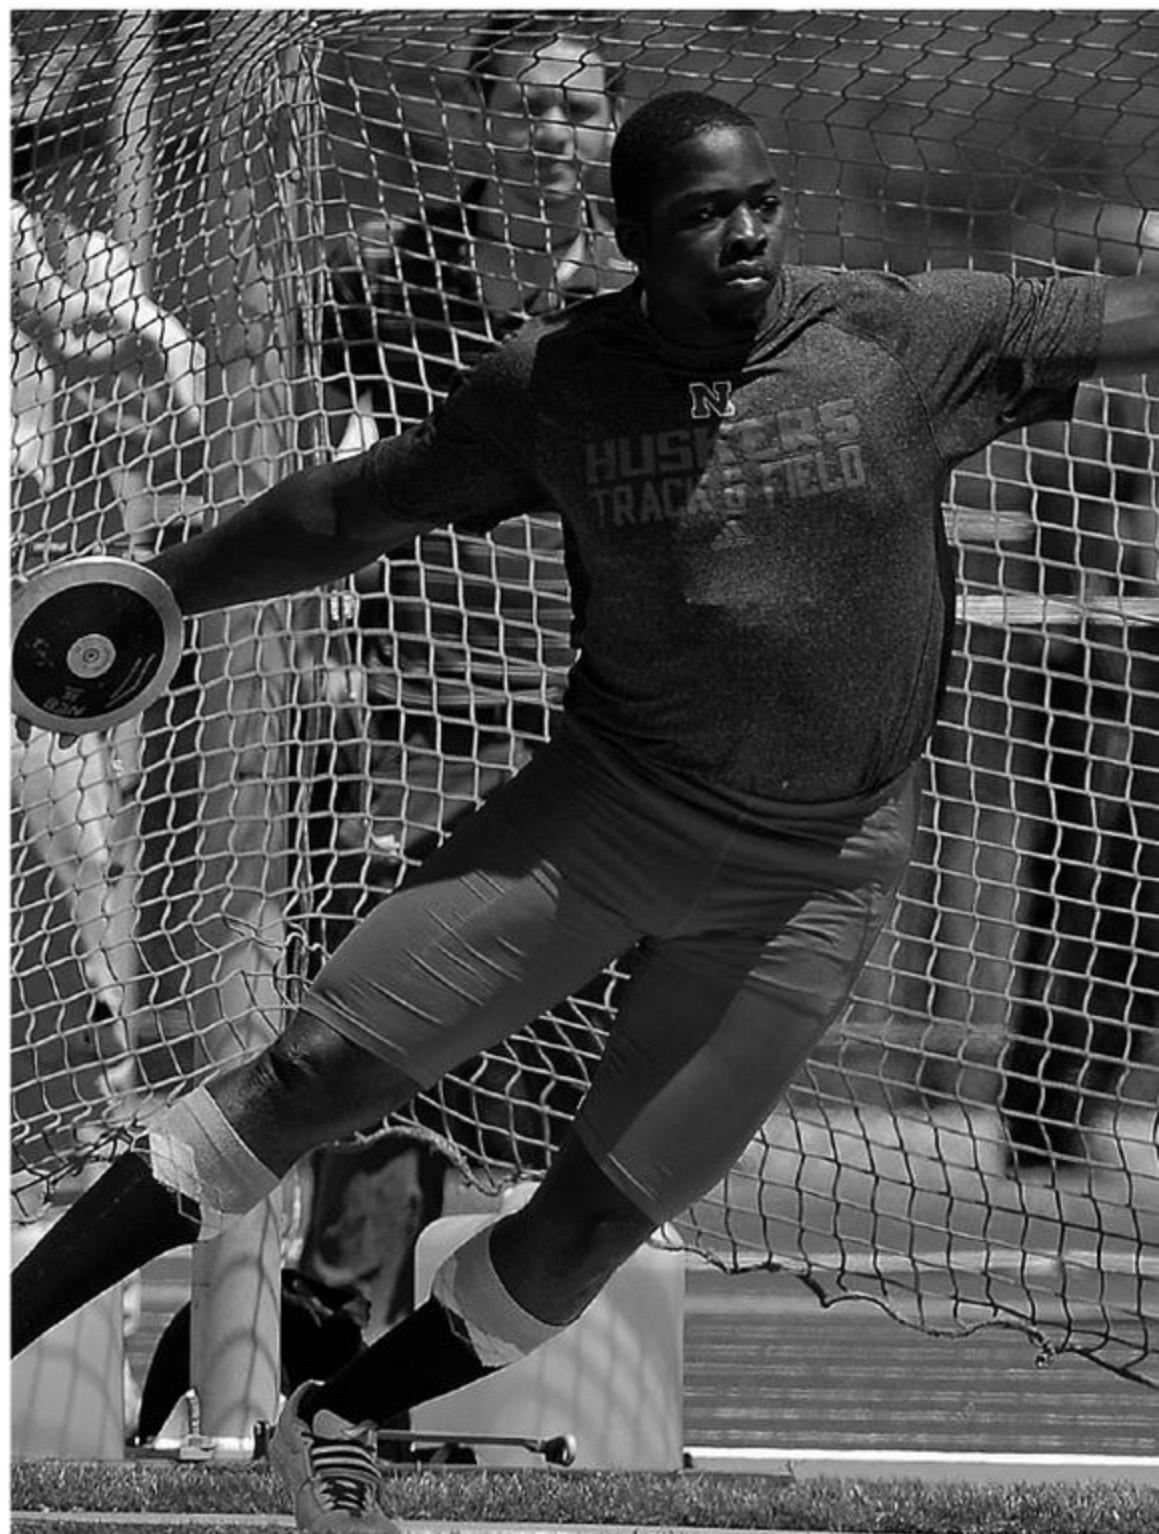

Ashley Miller led the women's distance medley relay squad to a seventh-place finish at the 2012 NCAA Indoor Championships.

CONFERENCE DOMINANCE

104 Conference titles

One Big Ten Title

885 Conference Champions

11 Big Ten Champions

The Nebraska track and field program began in 1989 and has competed in five different conferences, beginning in 1908 with the Missouri Valley Conference. Nebraska moved to the Big Six Conference in 1929, which grew into the Big Seven in 1948, the Big Eight in 1958 and then transformed to the Big 12 Conference in 1996. NU moved to the Big Ten in 2012. Over the past 116 years of Nebraska track and field, the program has been the most dominant program in conference history. The men's and women's squads have combined to win 885 individual titles and 104 conference team championships. The Huskers were also the most dominant program in the Big 12 Conference, winning 23 of the 57 team titles, the most of any program in the league. The Huskers produced one of the most impressive feats across all conference sports from 1980 to 1995 when the women's team won both the indoor and outdoor league titles every year, an unmatched 16-year run. Most recently, the women's team won back-to-back indoor titles in 2004 and 2005 as well as the outdoor title in 2005. The men's team was just as tough at the Big 12 level, winning 15 team titles. The Husker men won their sixth outdoor title in 2010, when they became the first men's team in Big 12 history to repeat at the outdoor meet. Indoors, the men won six straight indoor titles from 2000 to 2005 and a seventh in 2007.

The 2009 Nebraska men won the Big 12 Outdoor team title with a dominating score of 148 points, the second-highest total in meet history, trailing the Huskers' score of 172 in 2004. Nebraska was led by individual champions Seth Burney (pole vault), Paul Hamilton (high jump), Nicholas Gordon (long jump) and Adam Dailey (400-meter hurdles).

Björn Barrefors (left) won the 2012 Big Ten decathlon title, while Breanna Bussel (right) won the 2012 Big Ten indoor pole vault crown.

48 Olympians

16 Olympic Medals

The Nebraska track and field program annually produces athletes who go on to professional careers in track and field. At the most recent games in London, Nebraska was represented by Chantae McMillan and Gyorgyi Farkas in the women's heptathlon, Carl Myerscough in the men's shot put, Janis Leitis in the men's 400 meters, Lehann Fourie in the men's 110-meter hurdles, Ineta Radevica in the women's long jump and Amber Neben in women's cycling. Going back to the 1968 Games in Mexico City, the Huskers have had at least one current or former athlete win an Olympic medal in track and field at every Olympic Games except the 1972 (Munich), 1988 (Seoul), 2004 (Athens) and 2012 (London) Games. The Huskers have also had a representative at every Olympic Games since the 1956 Games in Melbourne, Australia.

A two-time Olympian for Canada, Priscilla Lopes-Schliep won her first Olympic medal at the 2008 Games in Beijing with a bronze-medal performance in the 100-meter hurdles.

The most decorated athlete in Nebraska track and field history, Merlene Ottey has competed in seven Olympic Games, while winning eight medals

Following a stellar collegiate career where he won one national title and earned eight All-America honors, Dusty Jonas was a member of the 2008 U.S. Olympic team in Beijing.

Huskers on the International Stage

Not only do Nebraska track and field athletes go on to compete professionally following their collegiate careers, many current Huskers annually compete in their home countries or compete at international meets wearing the Huskers' 'N' following the collegiate season.

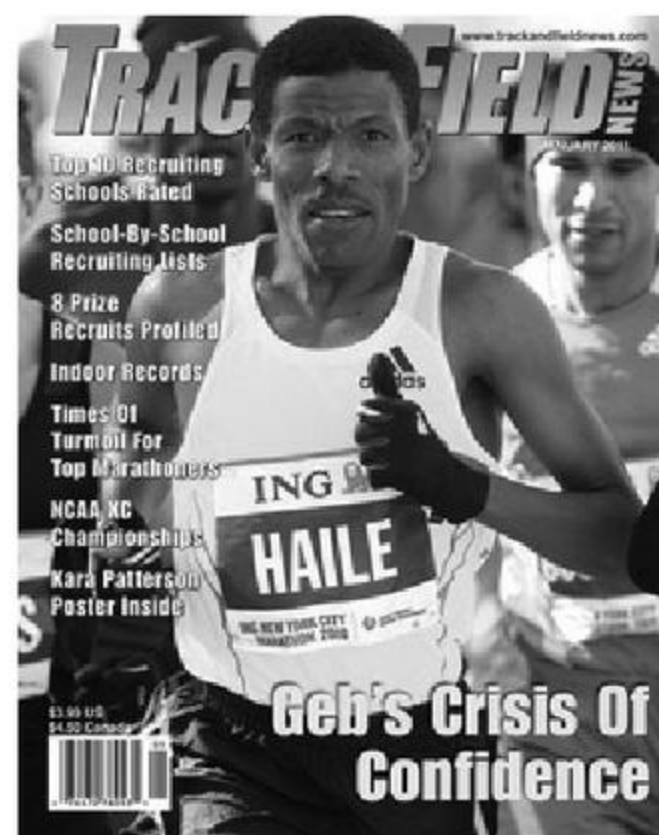

IAAF Diamond League

Priscilla Lopes-Schliep had arguably her best season as a professional in 2010, as she recorded the top time in the world last season at 12.52 in the 100-meter hurdles during her victory in London, beating out LoLo Jones' 12.55 from earlier in the season in New York. Lopes-Schliep ended the year with eight victories, including wins in her final four races, and placed no lower than fourth all season at 14 meets. Lopes-Schliep also took the top spot in the Diamond League standing over Jones, which earned Lopes-Schliep the inaugural Diamond Race Trophy, a four-carat diamond worth \$80,000.

Track & Field News Rankings

Former Husker national champion and 2008 Olympic bronze medalist Priscilla Lopes-Schliep was picked as the No. 1 women's 100-meter hurdler in the world on the Track and Field News World Rankings for the 2010 season. Lopes-Schliep was one of four former Huskers listed on the top-10 world list, as three-time triple jump national champion Ineta Radevica (Latvia) was fifth in the long jump, two-time outdoor national champion Becky Breisch (U.S.) was seventh in the discus, while eight-time All-American and 2008 indoor high jump national champion Dusty Jonas (U.S.) was ninth in the high jump.

Track and Field News also produced a U.S. Top-10 Rankings, with Breisch coming in at sixth among the country's top discus thrower. Jonas came in No. 2 on the U.S. list as Nebraska was also represented in the women's high jump by former six-time All-American Epley Bullock, who was fourth. Natalie Willer checked in at 10th in the women's pole vault, while Chantae McMillan ranked fourth nationally in the heptathlon.

NACAC U23

TRACK + FIELD CHAMPIONSHIPS

NACAC U-23 Championships - Guanajuato, Mexico

Former Husker Chris Phipps was chosen to represent Team USA at the NACAC U23 Championships, which consisted of teams from 32 IAAF member nations in North America, Central America and the Caribbean Athletic Association.

A seven-time All-American and Big Ten Champion, Phipps continued his success in 2012 with a meet title. He finished first in the triple jump with a leap of 53-1 1/2 (16.19). The mark tied his personal-best jump that he set at the Sun Angel Classic in Tempe, Ariz.

"The coaching staff as well as the support system at Nebraska are the sole reason why I was able to accomplish the things that I did in my time at the university. My coaches helped push me to levels that I previously thought were unattainable, and I am thankful that they granted me the opportunity to compete for this team."

NU Track and Field Equipment

Nebraska student-athletes are fitted with the finest adidas equipment and clothing as part of the apparel manufacturer's lucrative sponsorship deal with the Nebraska Athletic Department. From head to toe, Husker athletes receive the newest gear to not only look sharp, but to also have the latest technology at their disposal.

Track and Field Equipment Manager Blake Lange works closely with an on-campus adidas representative to make sure the Nebraska track and field team has everything it needs to represent the University in a proper manner.

Lange outfits the Huskers with practice gear, sweats, travel gear, shoes and competition essentials to give the Huskers the most appropriate gear for both the indoor and outdoor seasons, so they can look their best on and off the track.

BOB DEVANEY SPORTS CENTER INDOOR TRACK

After the Bob Devaney Sports Center Indoor Track received a nearly \$3 million facelift in 2000, the athletic department invested another \$1.1 million prior to the start of the 2011 season to one of the world's fastest banked tracks.

Not only was the oval resurfaced, but the Devaney's interior was repainted, new lights were installed and a 24x14-foot video board was hung in addition to the installment of new bleachers.

The Nebraska Track and Field Hall of Fame also received a face lift as part of Nebraska's RED Project, as new trophy cases, displays and televisions to show team highlights were implemented.

The Huskers run on one of four hydraulic-banked tracks in the nation and one of eight in the world. NU's 200-meter track has the largest legal radius (67 feet) of any indoor-banked track in the world. The banks and all the running surfaces rest on a sleeper system, which is made of both steel (banks) and wood (straightaways) frames.

The Devaney Center accommodates up to 5,000 spectators for all track and field events and received all new bleachers before the start of the 2012 season.

The venue is at the top of the class in the Big Ten Conference and across the nation, as it played host to the Big 12 Indoor Championships eight times in 14 years, including six straight championships from 2001 to 2006 and most recently in 2008. The Big Ten Indoor Championships came to the Devaney Center in 2012, the Huskers' first season as a member of the Big Ten.

Nebraska's indoor throws ring allows Husker athletes to train during any season in climate-controlled conditions.

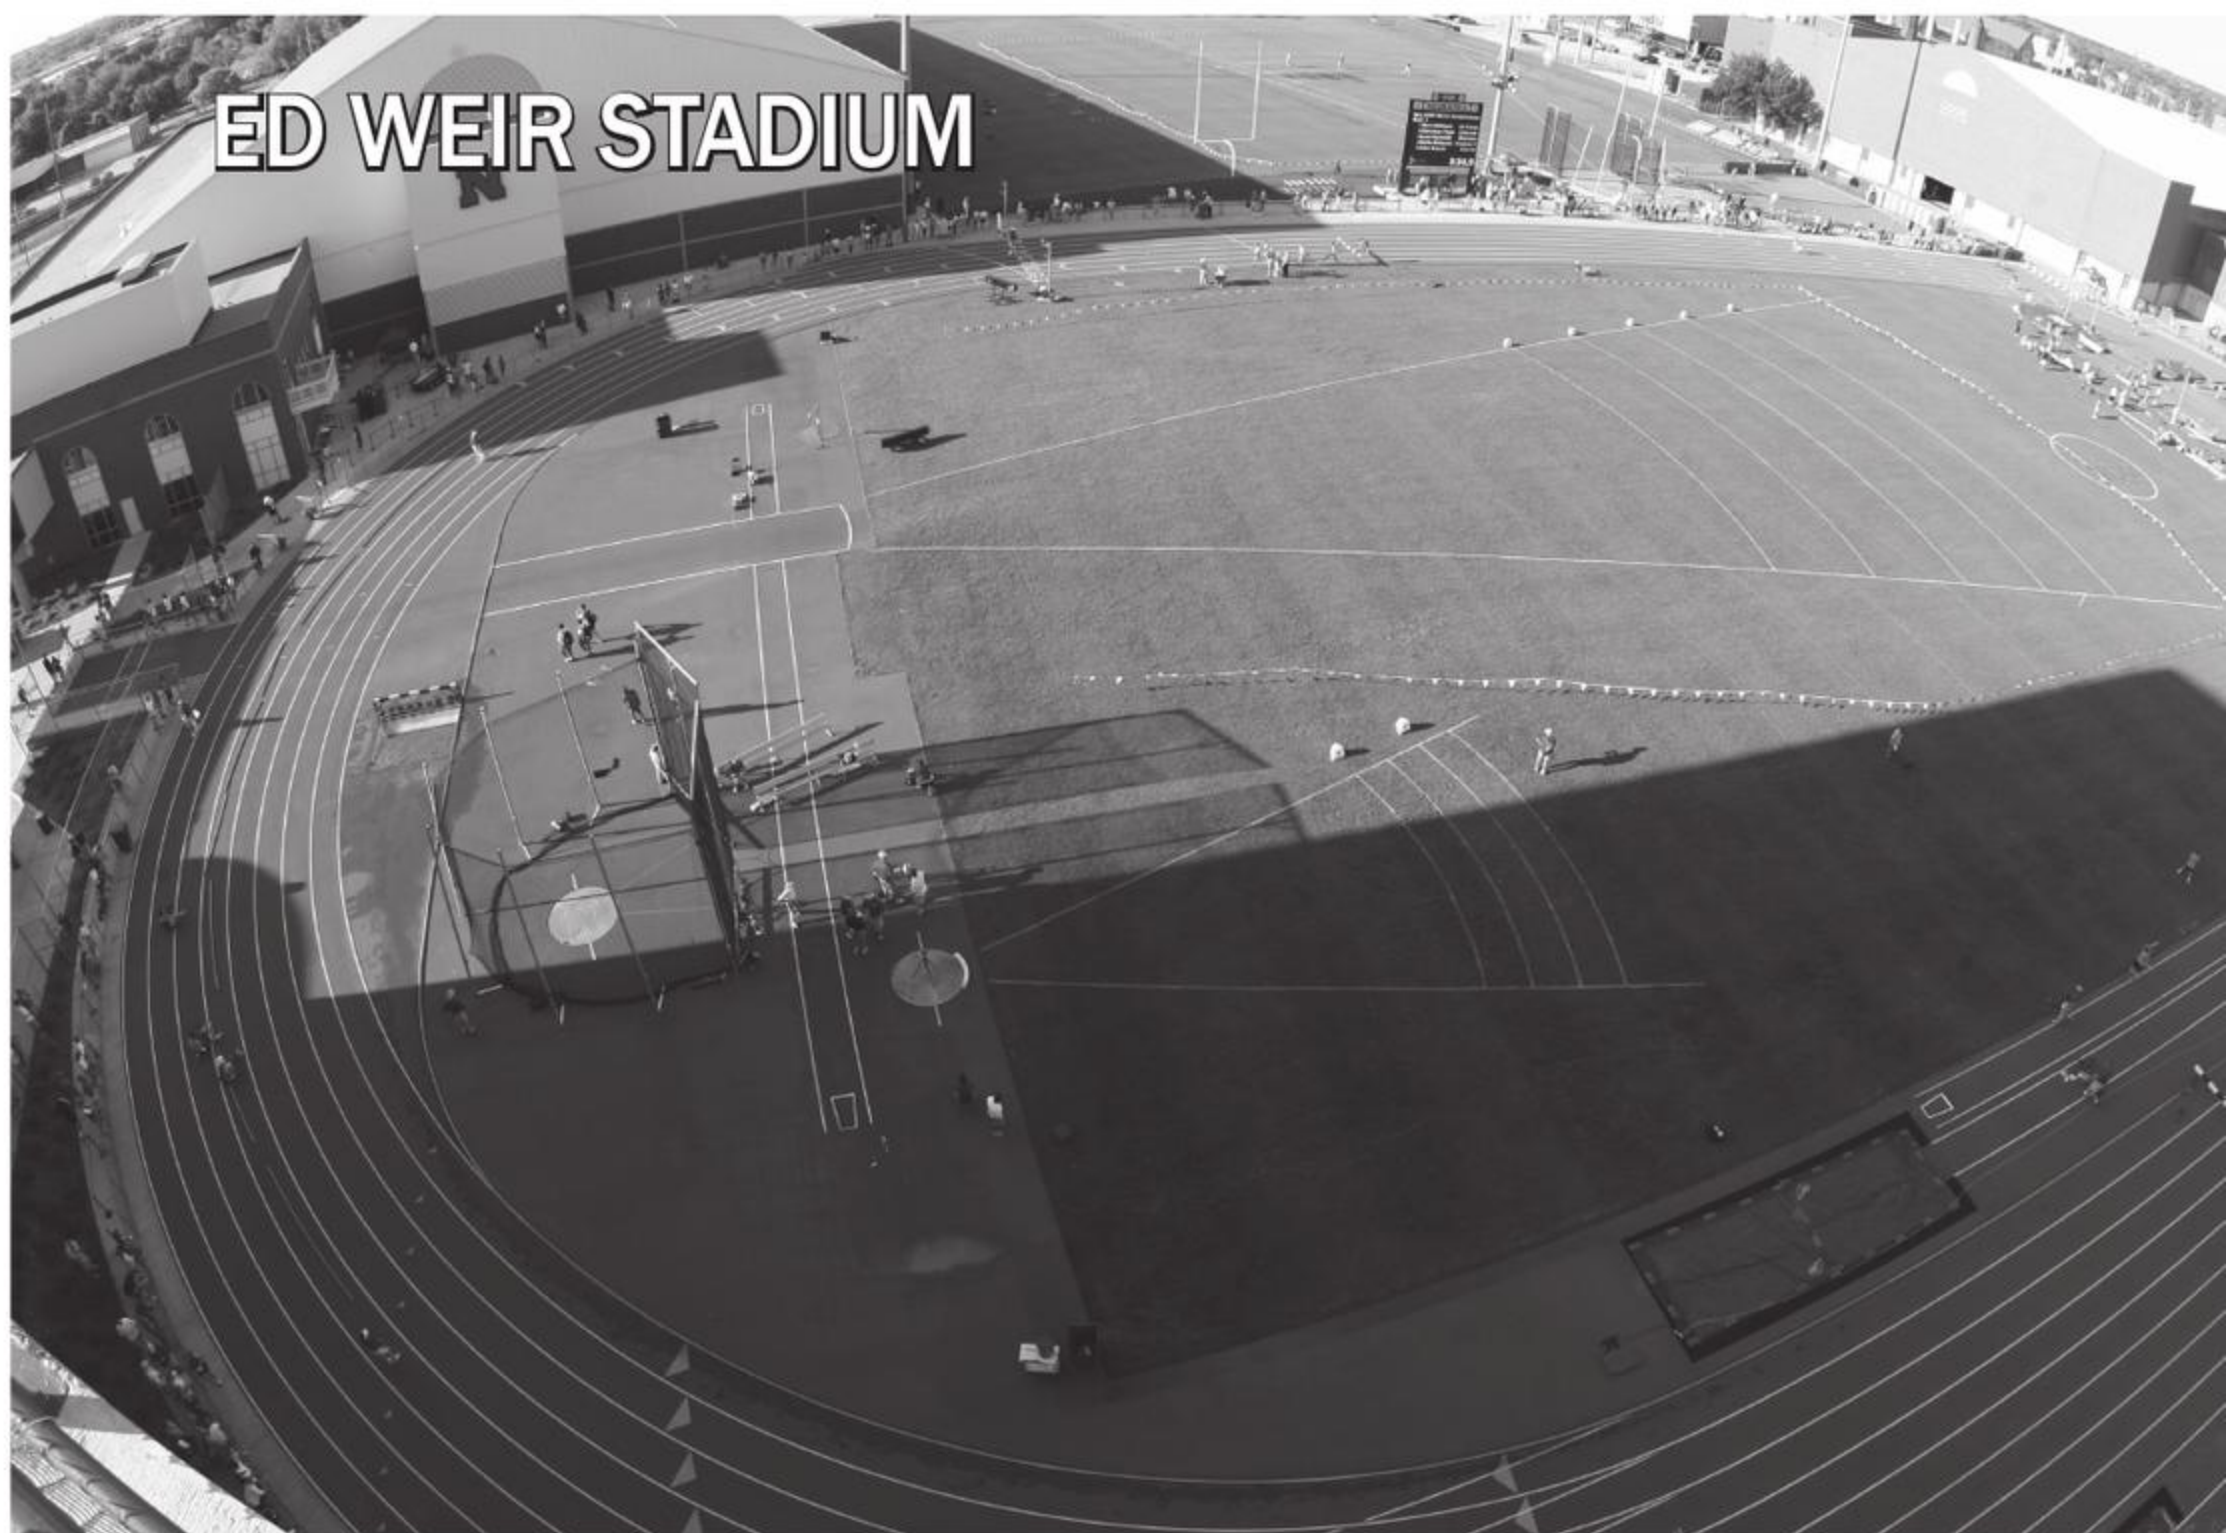

Nestled between Memorial Stadium, the Hawks Championship Center and the NU Coliseum, the Huskers' outdoor track is in the heart of Nebraska's athletic complex. Ed Weir Stadium provides a beautiful setting for home meets with permanent seating for 3,500 spectators.

Nebraska's recent additions of the Hawks Championship Center in 2005 and the Osborne Athletic Complex in 2006 have provided the track and field team with a second indoor warm-up center, new media facility and additional restrooms and concessions areas. The track underwent a \$2.33 million renovation in 2012 where the entire track base and Mondo surface were replaced.

During its 35-year existence, Ed Weir Stadium has hosted eight National Junior Olympics, a USA-USSR Junior Dual Meet, six Big Eight Championships, one Big 12 Outdoor Championships and two NCAA Midwest Regional Championships. The Huskers played host to the first NCAA Midwest Regional in 2003 and were the host again in 2008. The venue also hosted the Special Olympics for the first time in 2010 when the USA National Games were in Lincoln.

Husker athletes run on a Mondo synthetic rubber surface, the same surface utilized by many of the world's other top competitive sites, including Olympic Stadium in Athens, Greece, the site of the 2004 Summer Olympics and the Bird's Nest in Beijing, China, the home of the 2008 Summer Olympics.

THE NATION'S FINEST FACILITIES

Nebraska's top facilities are not limited to the track and field program. Nearly every Husker sport enjoys a venue that ranks among the nation's best.

Nebraska is dedicated to providing its athletes top-notch game-day and practice atmospheres in every sport.

In October of 2011, the department tripled the size of the athletic medicine and strength training areas.

Top: The Osborne Athletic Complex provides Nebraska student-athletes with the nation's best training facilities.

Middle: Nebraska's teams compete in some of the nation's finest facilities in front of large crowds, including the NU Coliseum (left), home of the three-time national champion volleyball team; the Bob Devaney Sports Center (middle), home of NU men's and women's basketball; and Hawks Field (right), home of the perennial power Husker baseball team.

Left: Memorial Stadium has been packed for more than 300 consecutive home games - a continuing NCAA record. Approximately 85,000 fill Memorial Stadium each game, with an electric game-day atmosphere that includes giant HuskerVision replay boards and ribbon boards spanning the east and west balconies.

HUSKER POWER

The model strength and conditioning program in the nation, Husker Power plays a major role in the continuing success of Nebraska athletics. Nebraska's strength program was the first in the nation. With 13 staff members, including Track and Field Strength Coach Brian Knitta, it is one of the most comprehensive strength and conditioning organizations in the nation.

Nebraska's strength training facilities have set the standard in collegiate strength training since the early 1970s. Not only does it feature the Charles and Romona Myers Performance Center in the Osborne Athletic Complex, it also features a new weight room utilized by the track and field teams in the Hendricks Training Complex.

THREE REASONS FOR SUCCESS

Program - The Husker Power Strength and Conditioning Program is geared for maximum improvement of performance on the court. Each athlete receives their own individual computerized program each year.

Supervision - The Husker Power staff has nine full-time strength and conditioning specialists and four interns. Track and Field Strength Coach Brian Kmitta works directly with the track and field program to help Husker athletes prepare for a successful athletic career.

Facilities - The Charles and Romona Myers Performance Center in the Osborne Athletic Complex and the Hendricks Training Complex are the finest all-around athletic facilities in the nation, giving athletes the resources to achieve at the highest level.

“The University of Nebraska strength and development program is the model for others in the country.”

ATHLETIC MEDICINE

Providing expert care to more than 600 Husker student-athletes, Nebraska features one of the most well-trained and highly skilled athletic medicine staffs in the country.

Under the guidance of Director of Athletic Medicine Dr. Lonnie Albers, Head Athletic Trainer and Physical Therapist Jerry Weber and Track and Field Athletic Trainer Brad Brown, the 2012-13 Nebraska athletic medicine staff consists of five doctors, two therapist/athletic trainers, eight athletic trainers and six graduate assistant athletic trainers.

Nebraska's team of orthopaedists is led by Chief of Staff Dr. Pat Clare, a nationally respected orthopaedic surgeon with more than 30 years of service to Husker athletics.

Above: Associate Athletic Director and Director of Athletic Medicine Dr. Lonnie Albers coordinates the care of Husker student-athletes by using some of the best on-site technology in collegiate athletics.

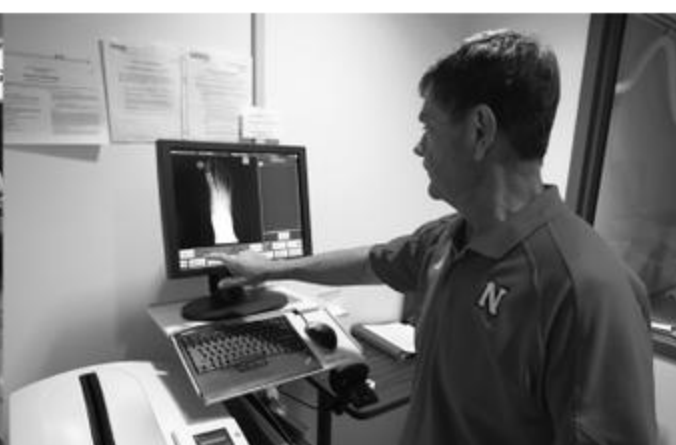

Bottom: The Athletic Medicine Center features a hydrotherapy area that includes a three-level laned pool, which allows student-athletes across all of Nebraska's sports to work out simultaneously. The Hydroworx 1000 Treadmill Pool is equipped with two cameras underwater for evaluation and assessment, while hot and cold plunge tanks are also available to the Huskers.

The medical facilities at Nebraska have long been among the nation's best, and NU's athletic medicine center within the Tom and Nancy Osborne Athletic Complex will keep the Huskers on the front line of technology for decades to come. In addition to Nebraska's North Stadium facility, the NU Coliseum, the Bob Devaney Sports Center and Haymarket Park all feature athletic medicine areas. The Devaney Center's Athletic Medicine facility underwent an extensive expansion as part of the Hendricks Training Complex addition in 2011.

Using the best on-site medical equipment and resources in college athletics, the Nebraska athletic medicine staff provides Husker student-athletes with highly skilled medical care throughout the year.

NUTRITION

Nebraska's Sports Nutritionists Lindsey Remmers and Scott Trausch work with all 23 of Nebraska's sports by educating athletes on topics such as increasing lean body mass, losing body fat, staying hydrated, nutritional strategies for competition, maximizing recovery following workouts and supplement use. Athletes are given individualized nutrition plans that can be applied in Nebraska's Performance Buffet at the Lewis Training Table, which was remodeled and expanded in the 2010 season. In addition to utilizing the Lewis Training Table each day for lunch and dinner, student-athletes also have access to fueling stations near strength and conditioning areas to provide fluids and nutritional foods before and after workouts to maximize performance and recovery.

ACADEMIC SUCCESS

The success of Nebraska student-athletes reaches far beyond athletic competition. More Husker student-athletes have been selected to CoSIDA Academic All-America teams (302) than any other school in the nation, and Nebraska has produced more NCAA Top Eight Award winners (16) than any other school. As it enters its second season of Big Ten Conference competition in 2012-13, Nebraska continues to set the standard for the approximately 1,400 NCAA member institutions.

The Husker football team leads all individual sport programs in the nation with 104 all-time CoSIDA Academic All-America awards. The Penn State football program ranks second among all sports nationally with 60 all-time academic All-Americans. In fact, Nebraska's 104 football academic All-Americans would rank among the top 25 schools (all sports, all divisions) in the nation in the number of CoSIDA Academic All-Americans. The NU volleyball program has captured more academic All-America awards (37) than any other women's team in the nation, while the Husker softball program ranks second on that list with 29 selections. Nebraska also ranks among the top 10 schools in the nation in CoSIDA Academic All-Americans in baseball, women's basketball and men's and women's track and field/cross country. Over the past two years, the men's and women's track and field programs have produced 10 CoSIDA Academic All-Americans - the most in the nation during that span.

Huskers Build on Academic Tradition in 2011-12

Husker student-athletes produced another stellar year at the University of Nebraska, continuing NU's tradition of academic success. Nebraska increased its nation-leading total of CoSIDA Academic All-Americans across all sports to 299 with a Big Ten Conference-leading eight honorees in 2011-12 before adding three more awards in

Academic All-Americans All Sports as of December 2012

the fall of 2012. A total of 190 Husker student-athletes captured academic All-Big Ten honors, while Huskers earned 667 spots on the Nebraska Scholar-Athlete Honor Roll during the fall and spring semesters.

The Nebraska football team led an impressive showing in the classroom for the Huskers, as Austin Cassidy, Rex Burkhead and Sean Fisher all claimed CoSIDA Academic All-America honors. Cassidy, who became the 24th Husker football player in history to be a two-time academic All-American, earned first-team honors as a senior safety. Cassidy was joined on the first team by Burkhead, who rolled to 1,357 rushing

yards as a junior I-back in 2011. Fisher, a junior linebacker, added second-team CoSIDA Academic All-America accolades. Burkhead and Fisher repeated as academic All-Americans as seniors in 2012. A total of 47 Husker football players earned bachelor's degrees in 2011-12, while 27 Huskers earned academic All-Big Ten awards.

Track and field All-Americans Tyler Hitchler and Ashley Miller led an impressive season for Coach Gary Pepin's program. Hitchler, an All-American on and off the track during his career, claimed Nebraska's Male Student-Athlete-of-the-Year award. A first-team All-American in the discus in 2012, Hitchler was also NU's male recipient of the Big Ten Medal of Honor. A two-time Nebraska Student-Athlete HERO Leadership Award winner and a four-time member of the Nebraska Student-Athlete Advisory Committee, Hitchler was accepted into medical school at the University of Nebraska Medical Center. Miller, a three-time All-American on the track, was a co-captain of both the NU women's cross country and track and field teams in 2011-12. The 2011 CoSIDA Academic All-American was NU's female recipient of the Big Ten Medal of Honor and the women's track and field team's Big Ten Sportsmanship Award winner. The track and field program added a trio of 2012 CoSIDA Academic All-Americans, led by senior Björn Barrefors who became just the 13th Husker in history across all sports to be a three-time academic All-American. The multi-eventer from Stockholm, Sweden, was joined on the 2012 first team by senior Nate Polacek, who earned a spot on the academic All-America team for the second straight season. Junior distance runner Brett Grieb added a third-team

The Nebraska wrestling team also produced a pair of CoSIDA Academic All-Americans for the first time in program history. Heavyweight Tucker Lane claimed first-team honors to close his career as a two-time CoSIDA Academic All-American. Lane, who also earned a prestigious NCAA Postgraduate Scholarship worth \$7,500, was joined by second-team academic All-American Josh Ihnen. The junior added All-America honors on the mat as well for the Huskers in 2012.

Lane was also joined by softball's Nikki Haget, Hitchler and Miller in earning NCAA Postgraduate Scholarships for the Huskers in 2011-12.

Across all sports, Nebraska student-athletes claimed 190 academic All-Big Ten selections, just two shy of its Big 12-record-setting total of 192 in 2010-11. The Husker baseball (17), women's tennis (7), bowling (4) and women's rifle (4) teams all led the Big Ten in academic All-Big Ten selections, while the NU football (27), softball (10) and men's golf teams (6) all ranked second among conference schools.

Over the past four years, Nebraska has claimed nearly 750 academic all-conference certificates across all sports. Huskers also earned 667 spots on the first Nebraska Scholar-Athlete Honor Roll, which recognizes student-athletes who produce 3.0 or better grade-point averages in the fall or spring semesters. Husker student-athletes also produced 92 perfect 4.0 GPA semesters during the 2011-12 academic year.

The hard work, dedication and commitment of Nebraska's student-athletes in the classroom resulted in a record-setting 155 current or former student-athletes earning degrees from August of 2011 through May of 2012.

Each spring Nebraska hosts its annual Student-Athlete Recognition Banquet to honor Huskers who have earned either a 3.0 or higher cumulative GPA or have earned a 3.0 or higher GPA in the previous calendar year. In the spring of 2012, Husker student-athletes earned 321 academic honors medallions.

THE NEBRASKA ACADEMIC EXPERIENCE

From the day student-athletes decide the University of Nebraska is the right place to be, the athletic academic counseling unit provides personal and academic support to ensure that student-athletes will get the most out of their years as Huskers. Featuring one of the most innovative and comprehensive academic support systems in the country, Nebraska is dedicated to helping its student-athletes become outstanding leaders in their chosen fields. The academic support team is comprised of 13 full-time staff members and a tutorial staff of approximately 75 tutors addressing all subject areas.

Academic Counseling

Eight academic counselors and three assistant academic counselors are in place to monitor daily academic progress, receive consistent course feedback, assist with the advising/registration process and monitor continuing eligibility and progress toward graduation. Essentially, academic counselors assist student-athletes in navigating the University of Nebraska system.

Tutorial Support

A tremendous resource for all academic abilities, unlimited tutorial support is available from day one up to college graduation. Subject and mentor tutors help provide academic support and study strategies to be successful. Supplemental Instruction, a sub-component of the tutorial program, provides targeted group review sessions to help ease the transition to college academics while improving study strategies and building academic self-esteem.

Study Hall

Nebraska's study hall program is housed in the D.J. Sokol Enrichment Center within the Student Life Complex. Student-athletes attend a supervised, flex-time study hall that features day, evening and weekend hours. Each student-athlete is required to complete a specific number of study hours each week as determined by their academic counselor and/or coach. In addition, weekly study hall reports are provided to the coaching staff. Additional performance-based or tutor-based study hall may also be determined by the academic counselor.

Mentoring

Many student-athletes meet with a mentor on a weekly basis to assist in making a smooth transition from high school to college. Mentors collect syllabi, gather and report academic progress information and teach academic success strategies.

Educational Assessments

Assessments are administered upon the request of the student-athlete, academic counselor, or coach to determine student strengths and areas for improvement. Results allow academic counselors to develop a personalized academic support program and to determine if more in-depth testing is warranted. When additional assessments are necessary, referrals are made to a consulting psychologist who conducts the assessments. If it is determined that a student-athlete has a learning disability, appropriate accommodations are made through the Office of Services for Students with Disabilities.

Student-Athlete Orientation

The academic staff coordinates New Student-Athlete Orientation to help newcomers adjust to the multiple demands of being a college student-athlete. Presentations are made by academic counselors, compliance officials, NU faculty and administrators, business/community professionals and student-athletes.

Personal Counseling

Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

Computer Resources

Student-athletes enjoy a new state-of-the-art computer lab and technology center with 58 computers and professional supervision. Laptops are also available during team travel. Student-athletes have the benefit of ongoing education and assistance from a full-time computer technician.

The Nebraska Student Life Complex opened after receiving an \$8.7 million expansion and renovation in 2010. The Student Life Complex tripled the size of NU's previous academic support area for student-athletes. The Life Skills program offers extensive opportunities for leadership development and recognition. Cami Jiskra participated in the Husker Connect Mentoring Program, just one of the many opportunities Nebraska Student-Athletes have to give back in the community. Jake Griess (middle left) earned HERO Leadership Awards in 2012. Ellen Dougherty (bottom left) also earned a HERO Award in 2012.

NEBRASKA LIFE SKILLS - SERVING LEADERS

The Nebraska Life Skills program is committed to providing proactive education, resources and support throughout college and beyond, best preparing Husker student-athletes for life after sports. Services foster transition, retention, responsible decision-making, leadership, volunteerism and career development.

Nebraska has long been considered a pioneer in life skills support and programming. In 1998, Nebraska was one of five Division I schools nationally to win the prestigious Program of Excellence Award recognizing a strong commitment to total person development. In 2005, Keith Zimmer, Associate A.D. for Life Skills, was the recipient of the Dr. Gene Hooks Award recognizing him as the top life skills administrator in the country.

Life Skills Components

Proactive Education

Husker Life Seminar – All incoming student-athletes complete a 13-week fall semester seminar addressing a variety of life skills topics ranging from leadership to money to relationships and study skills. **Team Workshops** – Campus and community experts facilitate team-specific life skills education workshops. **Student-Athlete Assemblies** – Meetings featuring remarks from Athletic Director Tom Osborne and nationally recognized life skills trainers.

Personalized Support/Individual Sessions

Resume Development – Each student-athlete is assigned a Life Skills counselor who assists in the creation of a personalized resume for the student-athlete. Periodic follow-up meetings will take place through graduation to ensure a well-rounded college experience and marketability to realize career goals.

Community Outreach

Nebraska student-athletes combine to impact over 100,000 people statewide on an annual basis. **Team Service Requirement** – Each team participates in a minimum of two service projects per year. **School Outreach** – Individuals participate in numerous school outreach campaigns in both classroom and assembly settings. **Hospital Visits** – Huskers are frequent hospital visitors providing cheer and encouragement to a variety of patients. **Miscellaneous Outreach** – Outreach requests are received daily from the entire state requesting involvement from Husker student-athletes. **Mentoring**

Programs – Typically requires one hour of service per week serving as a youth mentor.

Leadership/Citizenship

Life Skills promotes leadership development and provides recognition opportunities for extraordinary citizenship. **Student-Athlete Advisory Committee** – Elected team representatives from each of the 23 sports serve as the "voice" of the entire student-athlete population discussing student-athlete welfare, legislation and service events. **HERO Leadership Award** – Individual recognition to Huskers who have consistently went above and beyond serving as an exemplary role-model. **Heart and Soul Award** – Presented annually to the top senior student-athlete leaders for extraordinary service throughout their college careers. **Brook Berringer Citizenship Team** – Annual "Good Works" team honoring football players for dedicated service in memory of late Husker Brook Berringer. **Nebraska Football Uplifting Athletes** – A newly recognized UNL student organization initiated in 2012, Nebraska football players and UNL student leaders work collaboratively to raise funds and awareness for those with rare diseases. Nebraska running back Rex Burkhead was named the 2012 recipient of the National Rare Disease Champion Award for his mentoring of Jack Hoffman. **Life Skills Award of Excellence** – Presented to the single men's and women's team with the highest point total in the life skills team competition.

Career Commitment

In addition to the creation of a personalized resume and game plan, the following career resources are available to every Husker. **Student-Athlete Career Fair** – Attended by approximately 25 companies. **Networking Night** – Former Husker student-athletes and other professionals thriving in their chosen career fields share valuable insights with sophomore student-athletes. **Assessments** – On-line assessments to help individuals discover talents and match with a major and career. **Practical Experience** – Programs in place to facilitate shadowing and internship placements. **Job Preparation** – Expert advice on cover letter writing, interviewing skills and evaluating the job offer.

Postgraduate Assistance

Commitment to helping student-athletes pursue postgraduate plans and scholarships. **Career Nights** – Learn from the experts to gain valuable insight on timelines, application procedures, entrance requirements, personal essays and more. **Scholarships** – Seniors in their final season of athletic eligibility can apply for numerous postgraduate awards.

LEADING THE WAY

As one of the nation's premier public institutions, the University of Nebraska is committed to undergraduate learning and world-class research. Quality instruction is emphasized in Nebraska's 157 undergraduate majors, which are spread through nine undergraduate colleges.

Nebraska, which officially joined the Big Ten Conference on July 1, 2011, is a member of the Committee on Institutional Cooperation, a consortium of Big Ten universities and the University of Chicago, which has generated unique opportunities for students and faculty by sharing expertise, leveraging resources and collaborating on programs.

The University of Nebraska was chartered by the Nebraska Legislature in 1869 as the state's public university and land-grant institution. Founded in Lincoln, the University of Nebraska was expanded in 1968 into a state educational system now comprising four campuses under the guidance of a Board of Regents and a central administration.

NEBRASKA'S NATIONAL POWER

One of the nation's premier athletic programs, Nebraska is dedicated to and successful in all 23 of its varsity sports. Nebraska has won a total of 24 team national championships since 1970, including five football titles, eight men's gymnastics championships, five bowling crowns, three volleyball titles and three women's track and field championships. In 2011-12, 10 Husker teams finished among the top 25 in their respective sports, including the Nebraska football team which posted its fourth straight nine-win season.

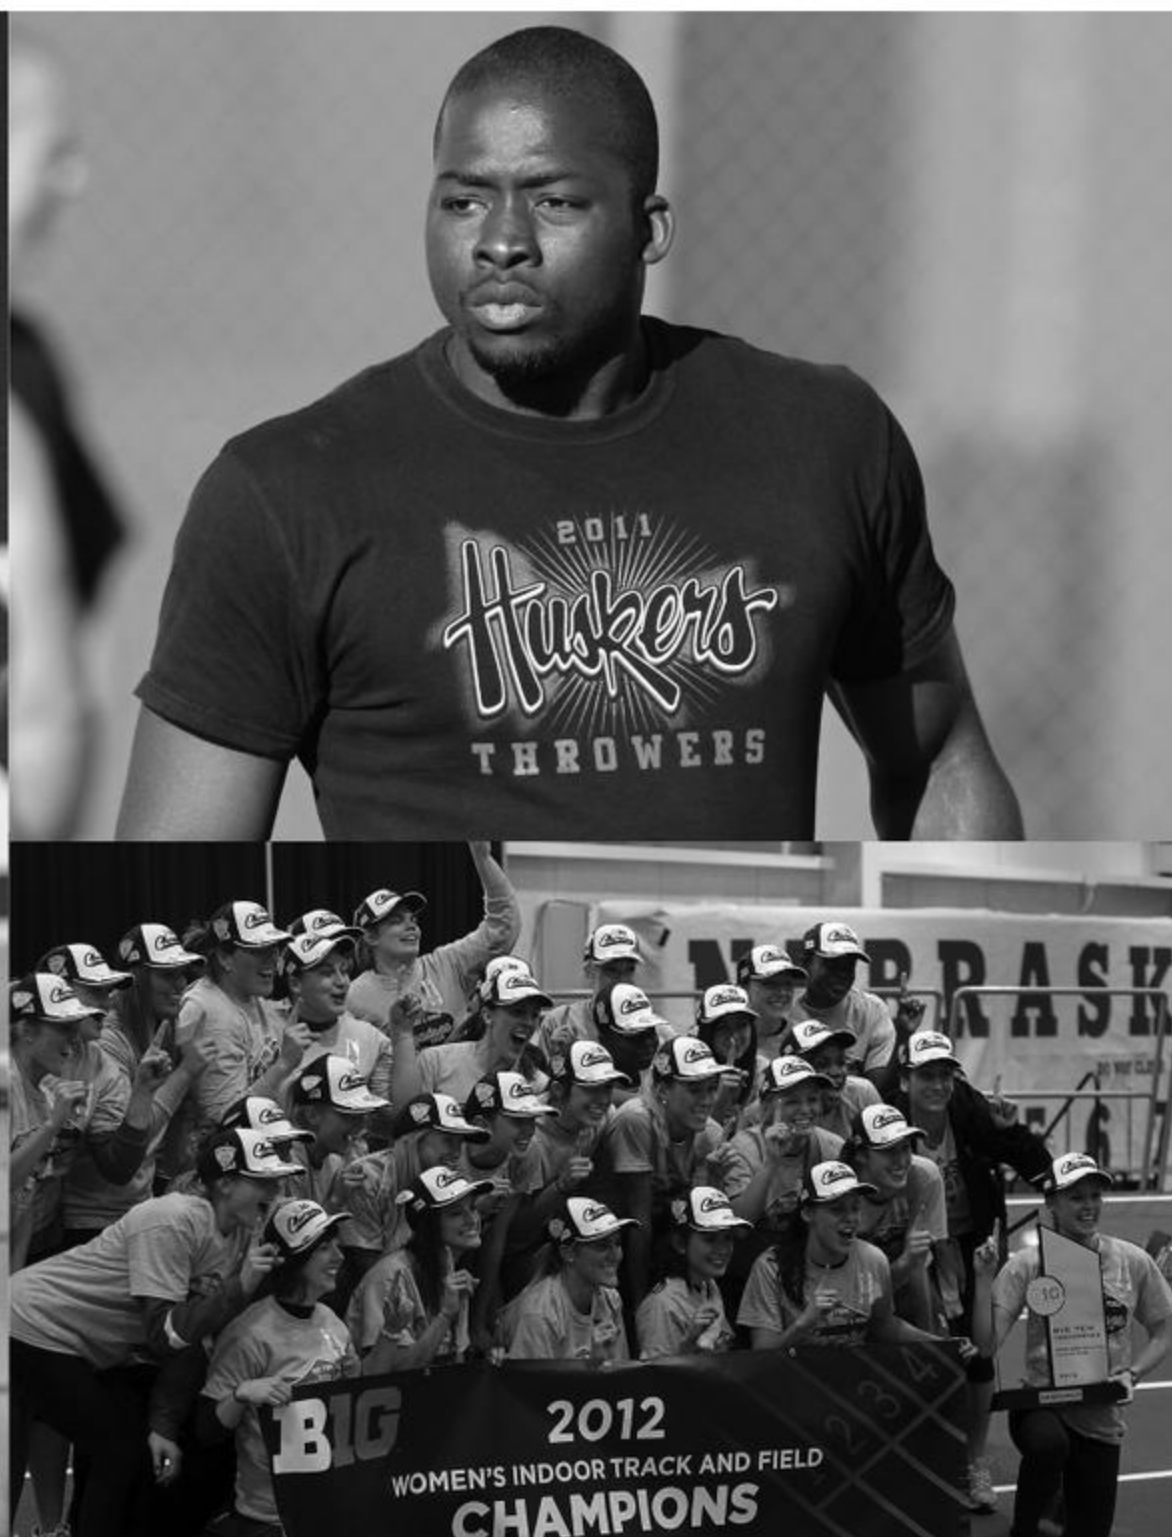

The Husker football team also led a list of 14 Husker squads that advanced to NCAA postseason competition in 2011-12, as Bo Pelini's team made a New Year's Day appearance in the 2012 Capital One Bowl. The national power Husker bowling team took third at the 2012 NCAA Championships. The NU women's gymnastics team finished eighth nationally for its third straight top-10 NCAA finish after claiming its first Big Ten title. The NU wrestling team notched its fifth straight top-16 NCAA finish by tying for ninth at nationals, while the men's gymnasts added a No. 10 NCAA finish. The NU men's track and field team contributed a tie for 11th at the NCAA Outdoor Championships - the team's best finish since 2003. The Husker men also tied for 23rd at the NCAA Indoor Championships, while the Husker women won the program's first Big Ten crown. The tradition-rich volleyball program won the school's first-ever Big Ten title in any sport while finishing 12th nationally and advancing to the second round of the NCAA Tournament.

The NU women's tennis team produced the best season in school history in 2012, posting a school-record 24 wins and No. 16 final ITA ranking. The Huskers produced their third straight trip to the NCAA Tournament, where they came up just short of their first NCAA Sweet 16 trip. The Husker women's basketball team ran to the second-highest win total in school history with 24 victories, while adding a runner-up finish in their first Big Ten Tournament. NU posted their second-highest final Associated Press national ranking by finishing the year at No. 17.

While Nebraska's teams performed at the high levels, individual Husker athletes also earned national honors. On the gridiron, linebacker Lavonte David claimed All-America honors while being named the Big Ten's Butkus-Fitzgerald Linebacker of the Year. Alfonzo Dennard was named the Tatum-Woodson Defensive Back of the Year, while Brett Maher became the first player to win the conference's punter and place-kicker of the year awards in the same season since 2001. Chad Wright claimed a national championship in the men's discus. Overall in 2011-12, 30 Husker student-athletes combined to capture 39 All-America awards across all sports. As a testament to Nebraska's national recruiting prowess, the All-Americans came to NU from 12 states and five foreign countries. The Cornhusker state showed its success in keeping the best and brightest of its future leaders at home, as nine All-Americans came from the state of Nebraska.

Outside hitter Gina Mancuso captured first-team AVCA All-America honors while helping the Nebraska volleyball team to the school's first-ever Big Ten Conference championship in 2011. The tradition-rich Nebraska volleyball team has won three NCAA titles in its history, while capturing four conference titles in the past five seasons. Mancuso added first-team CoSIDA Academic All-America honors in 2012 and was named Nebraska's second Senior CLASS Award winner across all sports.

COACHES AND SUPPORT STAFF

Gary Pepin

Head Coach/Jumps (33rd Season at NU)

Pittsburg State (B.S. 1966)/Kansas (M.S. 1974)

The all-time winningest track and field coach in the history of the Big 12 and the former Big Eight Conference, Nebraska Head Coach Gary Pepin will enter his 33rd season at NU during the 2013 track and field season. The longest tenured active coach in Cornhusker athletics, 2013 will be Pepin's 33rd season as head coach of both the Husker men's and women's track teams.

Since 2000, Pepin's squads have combined to win one Big Ten team title, 19 Big 12 team titles, 11 individual Big Ten titles, 143 individual Big 12 titles, 19 individual NCAA titles and have finished in the top 10 at the NCAA Championships 12 times, including a tie for fifth at the men's indoor meet in 2009.

Pepin guided the Husker women to the 2012 Big Ten Indoor Conference team title, marking the second Big Ten Championship for Nebraska Athletics. The Huskers recorded 11 conference titles in 2012 and 11 first-team All-America honors. Pepin was honored as the 2012 Big Ten Indoor Women's Coach of the Year for guiding NU to its first conference team title as a member of the Big Ten Conference. Pepin personally coached four athletes to Big Ten titles in the jumps in his 32nd year, including Anna Weigandt with an outdoor triple jump title, Marusa Cernjul with an outdoor high jump title, Mara Griva in the indoor triple jump and Chris Phipps with an indoor long jump crown.

In 2011, Pepin coached three athletes to three All-America honors and four individual Big 12 titles in the jumps. Overall, the Huskers notched 10 All-America accolades in 2011 and 10 individual Big 12 titles, while Pepin's women's squad earned the indoor conference title, upsetting four-time defending champion Texas A&M. Pepin was honored as the 2011 Big 12 Indoor Women's Coach of the Year and the Midwest Regional Indoor Head Coach of the year for the second straight year.

Pepin continued to show that he is one of the top coaches in the country in 2010, as he personally coached seven athletes to nine All-America honors and four individual Big 12 titles in the jumps. The Huskers as a whole in 2010 totaled 15 All-America awards and seven individual Big 12 titles, while Pepin's men's squad repeated at the conference outdoor meet. For the team's success, Pepin was named Midwest Regional Indoor Women's Coach of the Year, Midwest Regional Outdoor Men's Coach of the Year and was honored as Big 12 Men's Outdoor Coach of the Year for the second straight season.

The team title earned the Huskers their 22nd Big 12 title, the most for any program in the conference and it marked the first time in conference history that a men's program had repeated at the outdoor meet. After the collegiate season, two of Pepin's jumpers, Paul Hamilton and Chris Phipps, competed for Team USA at the NACAC U-23 Championships in Miramar, Fla. Hamilton won the high jump and Phipps placed second in the triple jump.

In 2009 Pepin passed Frank Sevigne as the longest-tenured head coach in the history of the Nebraska program. The historic milestones continued as the men's team captured the Big 12 outdoor team title, marking the program's 100th conference title. The 2009 Husker men also showed they were a force at the national level, as they placed in the top 20 at both the indoor and outdoor championships. Nicholas Gordon led the way for the men's team at the NCAA Indoor Championships with a national title in the long jump, as the team tied for fifth, marking the Huskers' highest finish since 2005 when they placed seventh. At the end of the season Pepin was named 2009 Big 12 Men's Outdoor Coach of the Year and the 2009 USTFCCCA Midwest Regional Men's Outdoor Coach of the Year.

Of the seven NCAA All-America honors brought home by Huskers in 2008, three athletes were personally trained by Pepin in the jumps area, including Dusty Jonas, an eight-time All-American, national champion in the high jump at the 2008 NCAA Indoor Championships and a member of Team USA at the 2008 Beijing Games. Overall, Pepin sent seven jumpers to the NCAA Championships, including two true freshmen.

In 2006, Arturs Abolins, under the tutelage of Pepin, became the first NCAA long jump champion from Nebraska, a feat Abolins accomplished at both the NCAA Indoor and Outdoor Championships. Abolins also became the first Pepin-coached men's jumper to sweep an event at both NCAA meets in a single season.

In 2012, Gary Pepin coached the Huskers to the women's Big Ten Indoor Championship title, Nebraska's 104th team conference title.

Pepin's program experienced a banner year in 2005 that rivaled the success of any other in the nation. The Nebraska women swept the Big 12 Indoor and Outdoor Championships for the second time, after also achieving the feat in 2000. The women added a pair of top-10 NCAA finishes. The Husker men, who claimed their eighth Big 12 indoor title in nine years, also raced to a pair of top-20 team placings at the NCAA Championships.

Individually, Nebraska athletes brought home four NCAA event championships for the third straight year in 2005, including titles by Anne Shadle in the mile and 1,500-meter run events. Equally impressive were the 18 All-America honors collected by NU athletes, including five runner-up finishes. Pepin's jumps athletes combined for five of those awards, including a silver-medal performance by Jonas, then a freshman, in the high jump at the NCAA indoor meet. Jonas later claimed the U.S. Junior and Pan American Games titles following the outdoor season.

Nebraska's 2005 season capped a remarkable three-year run that saw the program earn five top-five NCAA team finishes and 13 individual national titles. The 2004 season alone brought a pair of third-place team finishes at both the NCAA Indoor and Outdoor Championships, the highest finishes by the NU women since 1992. Both squads finished fifth at the 2003 outdoor national meet.

Overall, Pepin's teams have dominated indoor conference championships, winning 21 women's titles in the last 30 years, while the Husker men have won 17 titles in the last 26 seasons. Nebraska has also fared well at the outdoor conference championships, winning 17 titles in the last 30 years on the women's side, and taking eight men's titles of the last 16 seasons.

Pepin's remarkable success has not gone unnoticed, as he was inducted into the USTFCCCA Hall of Fame in 2008. Pepin also was named the 2005 USTCA Indoor Midwest Region Coach of the Year for the men and women, as well as the men's outdoor coach of the year the same season. At the conference level, Pepin either won or shared Big 12 Conference Coach-of-the-Year honors a remarkable 21 times. He also was honored as the 1995 National Indoor Track Coach of the Year by the USTCA, and earned NCAA District 5 Women's Coach-of-the-Year honors in 1995 and 1996.

Only the fourth coach to guide the NU men's program since World War I, Pepin has maintained the program's stability after replacing the late Frank Sevigne in 1984. Pepin's men's program has matched the women's success, capturing 16 indoor and 11 outdoor conference titles during his 32-year tenure. The 2010 outdoor men's title marked the third time in his career that he has won back-to-back men's outdoor titles, including 1989-90, 1995-96 and 2009-10.

In 2000, both Husker teams swept the indoor and outdoor titles, which gave Nebraska its fourth sweep through the conference championships. Although the Huskers fell short of being the first team in league history to sweep the men's and women's indoor and outdoor titles in back-to-back seasons, NU came closer to accomplishing the feat than any other school, claiming two of four titles in 2001.

Pepin guided Nebraska to an incredible 44 Big Eight indoor/outdoor titles, more than any other coach in the history of the conference. After joining the Big 12 Conference in 1997, Nebraska won a league-high 22 indoor/outdoor titles.

Pepin's Huskers own a reputation of excellence at the national level as well. His women's teams won three straight national indoor titles (1982-83-84), and have placed in the top 10 at 17 of the last 29 NCAA Indoor Championships. At the 1996 NCAA indoor meet, the men's team finished in second place with 31.5 points, its best finish under Pepin and the best in school history.

defended their top ranking in the National Collegiate Division I Track Coaches' Association Indoor Dual-Meet Rankings. The third-place ranking in 2004 matched the previous best by the 1989 Nebraska men in the outdoor standings.

Pepin has coached women who have earned 305 indoor and 309 outdoor All-America awards and 18 indoor and 24 outdoor individual national championships. His male athletes have won 167 All-America certificates since 1984, nine indoor (including an NCAA relay title) and five outdoor national championships. Among the elite athletes Pepin has coached at Nebraska are eight-time Olympic medalist, world champion and world-record holder Merlene Ottey; four-time NCAA champion Rhonda Blanford; Angela Thacker, who missed a bronze medal in the long jump by one-quarter inch at the 1984 Olympics in Los Angeles; 1989 NCAA outdoor triple jump champion Renita Robinson; 1991 NCAA outdoor 400-meter dash champion and Olympic bronze medalist Ximena Restrepo; three-time NCAA triple jump champion Ineta Radevica; two-time NCAA long jump champion Arturs Abolins; indoor high jump national champion, school indoor and outdoor record holder and 2008 Olympian Dusty Jonas and Pepin's latest prize athlete is Nicholas Gordon, who along with his 2009 indoor national title and Big 12 indoor and outdoor titles in the long jump, represented Jamaica at the 2009 IAAF World Championships in Berlin, Germany.

Known as one of the premier jumps coaches in the nation, Pepin coached former Husker Angee Henry, a 10-time All-American, to indoor and outdoor NCAA long jump titles in 1996. Under Pepin's tutelage, former Husker Nicola Martial won the 1994 and 1995 NCAA outdoor triple jump titles and added the 1996 NCAA indoor triple jump crown. At the 1996 Olympic Games, Martial represented Guyana in the triple jump. Pepin's top male performer prior to Abolins and Jonas was four-time All-American Petar Malesev, the 1995 NCAA indoor high jump champion.

Before coaching at Nebraska, Pepin served as the women's head coach at Kansas in 1976. Pepin also spent nine seasons at Kansas as an assistant to Bob Timmons. During his stint with the Jayhawks, Pepin's jumpers established Big Eight bests in every event and earned numerous Big Eight medals, All-America honors and Olympian status. With Pepin's guidance, Kansas became the first school in the country to have three men jump over 7-2 in the high jump in the same season. Before joining the Jayhawk program, he coached in the prep ranks in Missouri, and watched his teams capture several conference titles.

A native of Pittsburg, Kan., Pepin graduated from Pittsburg High School and Pittsburg State University. He received his master's degree from Kansas in 1974. He is married to the former Jean Ann Frank of Pittsburg, and they have three daughters, Heidi, Lisa and Michelle, and four grandchildren, Carter, Blue, Landon and Millie.

Outdoors at the NCAA Championships, the Husker women have finished in the top 10 in 16 of the last 29 meets, highlighted by third-place finishes in 1983, 1991, 1992 and 2004. The top-three finish in 2004 produced two national champions and 58 points for NU's highest score since 1984. The Nebraska men have also made noise at the outdoor national meet, earning 13 top-20 finishes during Pepin's tenure.

The Husker women were ranked in the top five of the National Collegiate Division I Track Coaches' Association Outdoor Dual-Meet rankings every year but one since 1983 (the ranking was discontinued in 2006). The 1989, 1991 and 1992 squads were rated as the nation's top dual-meet teams, and the 1994, 2000, 2004 and 2005 teams won indoor dual-meet titles. Since 1988, the men have been ranked in the top 10 in the dual-meet rankings, and in 1996

David Harris

Distance/Middle Distance/Head Coach XC (Second Season at NU)
Truman State (1978)

David Harris is entering his second season as the Huskers' distance coach. Harris took over for Jay Dirksen in 2012 who retired after 28 seasons as Nebraska's distance coach and head cross country coach.

In 2012, Harris coached the women's indoor distance medley relay team to a seventh-place finish at the NCAA Indoor Championships in Boise, Idaho, posting a record time of 11:09.83. All four Huskers competing in the relay earned first-team All-America honors.

Harris also guided Ashley Miller to a stellar senior season, earning second-team All-America honors in the 1,500 meters at the 2012 NCAA Outdoor Championships as she finished with a personal-best time in the event. Miller also earned three conference titles in 2012, finishing first in the outdoor 800 meters, the outdoor 1,500 meters and the indoor 3,000 meters. She also etched her name into the Husker record books with her time of 9:17.28 in the indoor 3,000 meters, setting a school record. In addition, she won the 1,500 meters and broke the meet record at the Drake Relays in 2012. Later in the summer of 2012, Miller represented Nebraska at the 2012 U.S. Olympic Trials in Eugene, Ore., where she competed in the semifinals in the 800 meters and 1,500 meters.

Harris already had ties to Nebraska prior to joining the Huskers, as he coached NU's middle distance runners and the men's sprinters and hurdlers for seven years before becoming the head cross country and track and field coach at Emporia State in 1992. While at Nebraska, Harris coached many student-athletes to records that still stand including the women's outdoor 800 meters (Sharon Powell), the men's outdoor 400 meters (Ken Waller), the 1,000 meters (Dieudonne Kwizera), the 400-meter hurdles (Mark Jackson) and the 4x400-meter relay.

As the Hornets' head coach for 19 years, Harris was named MIAA Coach of the Year 11 times and brought Emporia State to the top of the Division II ranks, as the men's squad finished fourth at the NCAA Outdoor Championships in 2011.

One of the most respected coaches in the track and field community, Harris was the first non-Division I president in the history of the

USTFCCA. The leadership and direction of Harris was essential in bringing the NCAA Outdoor Championships to the Flint Hills in 1995, 1999 and again in 2006.

Emporia State won 10 MIAA team championships under Harris and had 20 runner-up finishes. In 1999 he became only the third coach to lead both the men's and women's teams to MIAA outdoor titles in the same season. The ESU women earned the school's first top-four finish nationally with a fourth-place finish at the NCAA Outdoor Championships in Emporia in 1999. It was the second of three national championship meets at Witten Track/Welch Stadium held under Harris' leadership.

Harris has served in numerous leadership roles within the USTFCCA and has earned two prestigious awards. He was named the 2001 USTCA Women's NCAA Division II National Outdoor Coach of the Year and was most recently awarded the Jimmy Carnes Distinguished Service Award by the USTFCCA. He is the former Division II Executive Council Chairman and was the first non-Division I President of the USTFCCA, serving in that role from 2005-06 and leading the association through its reorganization in 2005.

Harris received his bachelor's degree in physical education/social science and a master's degree in athletic administration from Truman State, formerly Northeast Missouri State University. At TSU, he was a four-year letterman in cross country and track and field and captained the track team for two years.

After college, Harris joined the elite section of the St. Louis Track Club sponsored by adidas. From 1979 to 1981 he ran seven marathons with a personal-best of 2:19.54 in New Orleans. At the 1979 Boston Marathon, he qualified for the 1980 U.S. Olympic Trials with a time of 2:20.46. Harris retired from competitive road racing in 1981 to concentrate fully on coaching.

Harris is married to the former Kathy Bechhold, and the couple have two sons, John-David and Jared.

Carrie Lane

Throws (Second Season at NU)

Marquette (1997)

Carrie Lane returns for her second year with the Nebraska track and field team in 2013, serving as the Huskers' throws coach.

Lane guided the Husker throwers to an impressive campaign in 2012, highlighted by NCAA discus champion Chad Wright. In addition to the NCAA title in her first year with NU, Lane also coached four athletes to first-team All-America accolades and one conference title.

Wright's top finish at the NCAA Championships resulted in the second-best discus throw in Husker history (206-0) and the longest throw in Division I in 2012. With the throw, he became Nebraska's 18th men's outdoor national champion. Wright was joined by Tyler Hitchler, as he earned his third-straight All-America honors in the men's discus at the 2012 NCAA Outdoor Championships. On the women's side, Morgan Wilken finished eighth in the discus, securing her spot as a first-team All-American. Luke Pinkelman also earned All-America honors in the outdoor shot put, finishing third overall in his final year with the Huskers. In addition, Pinkelman earned second-team All-America accolades at the 2012 NCAA Indoor Championships following a successful showing at the 2012 Big Ten Indoor Championships where he earned the shot put title and became Lane's first Big Ten Conference champion at Nebraska.

Lane came to Nebraska bringing a solid list of accomplishments to the Husker program after spending the previous seven seasons at Virginia. Lane guided the Cavalier male and female throwers. Her experience and rise through the collegiate ranks has positioned her to guide the Husker throwers to national prominence.

In Lane's seven years at Virginia, she helped guide the Cavaliers to an Atlantic Coast Conference co-championship in 2009, while notching nine ACC individual titles and 14 additional top-three finishes in ACC competition.

The 2009 Southeast Region Women's Assistant Coach of the Year and the 2004 Mondo National Women's Assistant Coach of the Year, Lane's athletes have earned 17 All-America titles, nine ACC titles, three NCAA East Region Championships and four Penn Relays titles. Lane also coached professional shot putter Adam Nelson (2006-09), when he earned a silver medal at the 2007 World Championships and had the world-leading shot put mark in 2008. At Virginia, Lane

coached All-America discus thrower Billie-Jo Grant, the program's first four-time All-American in a single event. She also coached discus thrower Yemi Ayeni to three All-America awards and a fourth-place finish at the 2007 All-Africa Games. Prior to UVA, Lane spent five years at Coastal Carolina University. At CCU, she led hammer thrower Amber Campbell to five All-America honors and two American Collegiate records in the hammer and weight throw. Campbell also earned a bronze medal at the 2003 NACAC Championships. Lane's athletes have also earned 17 top-10 finishes at USATF National Championships.

Lane has also worked extensively within the USATF federation. She has been an assistant coach for the U.S. national team at the 2006 World Junior Championships and the 2009 and 2011 World Championships. In 2009, she represented the USA at the IAAF International Coaches' Conference in Kienbaum, Germany. Lane also served as the USATF junior girls javelin coordinator from 2006 to 2009.

She was also named the USTFCCA Regional Assistant Coach of the Year in 2009, in addition to numerous other honors and certifications.

Lane's student-athlete's have earned 19 All-America awards, one NCAA title in 2012 and an NCAA runner-up finish in the men's discus in 2008.

In addition, Lane was a graduate assistant coach for men's and women's cross country at Eastern Illinois University and also served as an academic coordinator at Marquette University.

Originally from the Midwest, Lane received her master's degree in physical education from Eastern Illinois in August 1999. She received her bachelor's degree and graduated cum laude in international affairs from Marquette in 1997.

Billy Maxwell

Men's Sprints/Hurdles/Relays (18th Season at NU)

Florida State (1966)

A nationally renowned sprints/hurdles/relays coach, Billy Maxwell enters his 18th season at Nebraska in 2013. Maxwell has been a critical element to the success of the Husker track and field program over the last decade and a half.

Maxwell has coached men and women athletes who earned 35 All-America awards, 26 individual conference titles and two national championships.

Throughout his coaching career at Nebraska, Texas, LSU and Tennessee, Maxwell has been the head coach or an assistant coach on four national championship teams, eight second-place teams and seven teams that placed third. Along with his success at the NCAA Championships, Maxwell has been a part of 91 conference championship teams.

Under Maxwell's guidance in 2012, Miles Ukaoma progressed as one of the top competitors in the men's 400 meter hurdles. He produced catapulting performances as a sophomore, earning the 2012 Big Ten 400-meter hurdles title with a personal-best time. Ukaoma went on to compete at the 2012 NCAA Outdoor Championships in Des Moines, where he earned second-team All-America accolades.

Maxwell guided NU's sprint and hurdle squads to prominence again in 2011. He saw four athletes earn All-Big 12 honors in the 60-meter hurdles at the indoor conference championship. His athletes combined for four top-eight finishes in the 400 hurdles at the 2011 Big 12 Outdoor Championships, while senior Adam Dailey improved his 2008 time of 50.33 with a time of 50.11 to take fourth.

In 2010, Lehann Fourie rewrote the Nebraska record books under the tutelage of Maxwell. During the indoor season, Fourie broke David Davis Jr.'s 2003 record of 7.70 in the 60-meter hurdles with a time of 7.67 at the NCAA Indoor Championships on his way to earning All-America honors. During the Big 12 Outdoor Championships in Columbia, Mo., Fourie broke Willie Hibler (1997) and Kirkland Thornton's (2009) 110-meter hurdle record of 13.50 with a time of 13.44. Fourie finished the year with All-America honors in the 110 hurdles as well.

The 2009 season was one of Maxwell's best in recent memory, as his athletes earned three All-America awards, broke one school record, tied a school record, won a Big 12 title and earned five NCAA Championships invitations. Maxwell had an unheard of seven hurdlers regionally qualify in the 400-meter hurdles, while another four qualified in the 110 hurdles, including Kirkland Thornton, who swept the events at regionals. Following the collegiate season, Fourie represented South Africa at the World University Games in Belgrade, Serbia, where he took silver with a then-personal-best time of 13.56 in the 110-meter hurdles.

For his success in 2009, Maxwell was honored as the Midwest Region Men's Sprints/Hurdles Assistant Coach of the Year for the second time in his career, after also receiving the honor in 2005.

One of Maxwell's latest success stories has been Thornton, who transferred to Nebraska from Eastern Illinois prior to the 2008 season and redshirted to take in a year of training under Maxwell prior to competing as a senior. Entering 2009, Thornton had personal bests of 7.83 and 14.27 in the 60- and 110-meter hurdles, respectively. By the end of the season, Thornton had dropped his times to 7.75 and 13.50, tying the school record in the 110 hurdles. Thornton also ran a time of 49.77 in the 400 hurdles, becoming just the third Husker in school history to run below 50 seconds in the event. Along with his regional titles, Thornton earned All-America honors in the indoor 60-meter hurdles, and also in the 110- and 400-meter hurdles outdoors, becoming the first Husker in school history to be named an All-American in both events outdoors at the same meet.

Since 2004, Maxwell's athletes have combined to earn 17 All-America awards. Two were crowned NCAA champions and 10 school records were broken or tied. Also, four of his former Husker athletes from that period competed in the 2004 Olympic Games in Athens, Greece, with two more competing at the 2008 Games in Beijing, China. Former Husker hurdling sensation Priscilla Lopes-Schliep won the bronze in the 100-meter hurdles in Beijing for her home country of Canada. It was the first Canadian medal in track since Donovan Bailey in 1996. In 2009, Lopes-Schliep earned the silver at the IAAF World Championships in Berlin, Germany.

Dmitrijs Milkevics became the first NU men's athlete to win an outdoor national championship in a running event since 1967, winning the 2005 NCAA title in the 800 meters. Milkevics also broke the collegiate record in the indoor 600 meters at the Frank Seigne Husker Invitational.

Lopes-Schliep capped a remarkable 2004 indoor season with her first national title in the 60-meter hurdles. Lopes-Schliep claimed

eight All-America honors in her three seasons training under Maxwell, while Milkevics totaled three. Both athletes concluded their careers in 2005 among NU's all-time greats, combining for seven school records and seven individual Big 12 championships.

Maxwell also guided former Husker Mark Harrison to his first Big 12 title in his final opportunity in the 400-meter hurdles during his senior season in 2006, while Nenad Loncar claimed his first Big 12 title in the 60-meter hurdles during the 2005 indoor season.

During the summer of 2004, Lopes-Schliep, Milkevics and Loncar each represented their countries in the Olympics. Milkevics highlighted the competition with his semifinal appearance in the 800 meters, while former Husker Egle Uljas also competed at the Games. Lopes, Milkevics and Uljas also competed at the World Championships in Helsinki, Finland, in 2005.

In 2003, Maxwell coached David Davis Jr. to a conference title in the 60-meter hurdles with an indoor Big 12 meet-record time of 7.70. Davis also captured All-America honors in the 110-meter hurdles at the NCAA Outdoor Championships with his seventh-place finish. Maxwell helped develop Loncar's talent in the hurdles, as Loncar took fourth place at the Big 12 indoor meet and won silver at the conference outdoor championships. Loncar also won silver in the high hurdles at the NCAA Midwest Regional and earned an automatic bid to the NCAA Outdoor Championships, where he made it to the semifinals before being eliminated.

Maxwell coached the Husker men's 4x400-meter relay team at the conference indoor championships that finished third and gave Nebraska a half-point win over Texas to retain the indoor conference crown in 2003. He also saw Danny Hill and Andy Nelson take third and seventh-place finishes, respectively, in the 400-meter hurdles at the Big 12 Outdoor Championships the same season.

Maxwell came to the Husker staff after successful stints at several of the nation's premier track and field programs. In his career, Maxwell has coached 49 athletes who have eclipsed the 14.0 mark in the 110-meter hurdles and 11 athletes who have broken 50 seconds in the 400-meter hurdles.

Before joining the Huskers in 1996, Maxwell spent four seasons coaching the sprinters, hurdlers and horizontal jumpers and helped revamp the University of Texas sprint corps. Fourteen of his Longhorn athletes earned NCAA All-America status.

Prior to coaching at Texas, he was the head coach of the men's and women's programs at LSU from 1982 to 1987. Maxwell transformed the Tigers from a perennial SEC also-ran into one of the nation's elite programs. At LSU, he developed 26 NCAA champions and 189 All-Americans, while leading the women's team to a national championship at the 1987 NCAA Outdoor Championships and a runner-up finish in 1985. He also guided the men's team to a fifth-place finish at the 1987 outdoor NCAAAs. LSU's men's and women's teams finished first in combined NCAA scoring in 1986 and 1987.

Maxwell took over the top job at LSU after a successful stint as an assistant coach at Tennessee (1970-82) under the legendary Stan Huntsman. Working with the Volunteer sprinters, jumpers and hurdlers, Maxwell coached more than 100 NCAA All-Americans, 19 NCAA champions and Olympic Gold Medalist Willie Gault. While at Tennessee, Maxwell also coached two world-record relay teams, including the men's 4x200-meter relay team that set a record time of 1:21.30 in 1976, and the men's 4x110-meter shuttle hurdle relay team that clocked a record time of 54.40 in 1981.

A native of Cairo, Ga., Maxwell received his bachelor's degree from Florida State and began his coaching career at Columbia (Ga.) High School. He was named Georgia coach of the year in 1967, leading Columbia to two state titles in four seasons before moving to the collegiate ranks. Maxwell is married to the former Kay Shoemaker. He is the father of two sons, Emory and Billy.

Matt Martin

Recruiting Coordinator/Women's Sprints/Hurdles/Relays (17th Season at NU)
Nebraska (B.S. 1994, M.S. 1999)

Matt Martin is entering his 17th season as the Huskers' recruiting coordinator, and is also in his 10th season assisting with the Husker sprinters, hurdlers and relay teams.

One of the premier recruiters in the country, Martin's Nebraska recruiting classes have combined to win one Big Ten Conference team title, 23 Big 12 Conference team titles, with 15 men's championships and eight women's crowns, as well as 181 individual titles. The Huskers have also been a powerhouse at the national meet, as they have produced 27 national champions, 228 All-Americans and seven top-five finishes behind Martin's recruiting efforts.

Martin's work ethic to bring in top-notch talent has not gone unnoticed on the national scene, as the Huskers' 2000 and 2006 men's and women's recruiting classes were ranked in the nation's top 10 by Track and Field News, while most recently the 2008 class was ranked No. 10.

Since Martin started recruiting for the Huskers in 1997, he has been instrumental in personally bringing in athletes who have earned eight All-America honors and nine individual Big 12 Conference titles. One of his noteworthy recruits, Nicholas Gordon of Kingston, Jamaica, picked the Huskers over Florida State and Arkansas. In his career, Gordon won a national title, earned three All-America honors, won two Big 12 titles and made a trip to the IAAF World Championships. Gordon was also honored as the 2010-11 Nebraska Male Student-Athlete of the Year. Martin also played a critical role in recruiting Chad Wright, 2012 NCAA discus champion, Mara Weekes and Ellie Grooters, who both earned first-team All-American honors at the Indoor Championships in 2012.

As a coach, Martin's NU sprinters, hurdlers and relays have combined for 16 All-America honors, one Big Ten title, 12 individual Big 12 championships and one NCAA title, placing NU athletes among college track and field's elite during that time.

As an assistant with the Husker sprints, hurdlers and relays in 2012, Martin oversaw the progression of Miles Ukaoma in his sophomore season as he went on to win the 2012 Big Ten 400-meter hurdles title and was a 2012 second-team All-American. Martin also helped coach the men's 4x100-meter relay team to a berth at the NCAA Outdoor Championships, as all members earned honorable-mention All-America honors. In addition, his efforts guided the women's indoor distance medley relay team to a seventh-place finish at the NCAA Indoor Championships.

Bellevue, Neb., native Lukas Hulett excelled under Martin, earning All-America honors indoors and outdoors in the 400 meters as a sophomore in 2008. As a freshman in 2007, Hulett earned indoor All-America honors in the 400 meters and was a member of the All-America indoor 4x400-meter relay team along with fellow freshmen Scott Wims and Dan Christensen and senior Nate Probasco. Hulett then carried his success to the outdoor season, qualifying for the NCAA Outdoor Championships in the 400 meters.

In 2007, Wims went on to post a seventh-place finish in the 200 meters at the outdoor championships for his second All-America finish. He and Hulett were two of five Martin-coached Huskers to qualify for the 2007 NCAA Championships.

Under Martin's supervision, Wims went on to win the 200-meter crown at both the U.S. Junior Championships and the Pan Am Junior Championships, while also finishing third in the 100 at both competitions. Additionally, NU freshman Dax Danks competed for his native Guyana at the Pan Am meet, finishing third in the 200.

The top hurdler in NU women's history, Priscilla Lopes-Schliep concluded her outstanding career in 2006 under Martin's watch. An eight-time All-American and five-time Big 12 champion, Lopes-Schliep was the national runner-up in both indoor and outdoor high hurdle events for the fourth and fifth consecutive national competitions during her final season as a Husker. She served the role as NU's high-point scorer at both conference meets.

Lopes-Schliep led the way for the Husker women's team in 2005 with two more silver-medal finishes in the 60- and 100-meter hurdles at the NCAA Championships just one season after claiming her first national title in the 60-meter hurdles as a freshman.

Martin also tutored former Husker and 2004 Olympian Nenad Loncar, who won a conference title in the 60-meter hurdles as a senior in 2005.

NU's sprint and hurdle relays have also benefitted from Martin's presence. The 4x100-meter relay team of Arturs Abolins, Oliver Williams Jr., Nate Probasco and Dusty Stamer won the Big 12 outdoor title for the second straight year in 2005, the first time in Nebraska history that the men had won the event in consecutive seasons. In 2007, NU's 4x400 relay team of Wims, Christensen, Probasco and Hulett finished third at the Big 12 indoor meet and went on to qualify for the national outdoor competition.

While Martin's athletes have excelled on the collegiate level, they have also participated on the world stage. His latest success was Lopes-Schliep, who earned the bronze medal for Canada in the 100-meter hurdles at the 2008 Olympic Games in Beijing, China. The medal was the first medal for Canada in track and field since Donovan Bailey in 1996. Lopes-Schliep then continued her success in 2009 as she took silver at the IAAF World Championships in Berlin, Germany.

Lopes and Loncar each represented their home nations in the 2004 Olympics in Athens, Greece, while Lopes-Schliep followed with a berth in the 2005 World Championships in Helsinki, Finland. She reached the semifinals of the 100-meter hurdles at the competition.

In 2004, the North Platte, Neb., native coached Lopes-Schliep to her first national championship in the indoor 60-meter hurdles, as well as two other All-America honors in the 60-meter dash and outdoor 100-meter hurdles. His 4x100-meter relay team of Shelldon Simpson, Oliver Williams Jr., Probasco and Stamer also earned All-America status by placing eighth at the NCAA outdoor meet.

A former sprinter/jumper for the Huskers from 1990 to 1993, Martin was an undergraduate coach for Nebraska in 1994 and was a graduate administrative assistant for Nebraska in 1995 and 1996. As an undergraduate coach, Martin helped Gary Pepin coach Nicola Martial to an NCAA outdoor title and a runner-up finish at the 1994 NCAA Indoor Championships. During that same time, he also helped coach Angee Henry to All-America honors as a freshman and a U.S. Junior National championship in the long jump.

Martin, who graduated from Nebraska with a degree in business administration in May 1994, completed his master's degree in athletic administration in August 1999. His father, Doug Martin, was the former head track and field coach at North Platte High School for 23 years, and is on the Husker staff as a volunteer coach.

Martin is married to the former Michelle Delka of Lincoln. The couple has two daughters, Jocelyn and Reese, and a son, Elijah.

Kris Grimes

Combined Events/Pole Vault (Eighth Season at NU)

Abilene Christian (B.S. 1989)/Missouri (M.S. 1992)

Kris Grimes returns for his eighth season in 2013 as Nebraska's combined events and pole vault coach.

Grimes has hit his stride at NU over the past five seasons by sending 25 athletes to the NCAA Championships and coaching athletes to two Big Ten titles, 13 Big 12 crowns and 15 All-America honors. Overall in seven years, Grimes has coached athletes to one national title, 23 All-America honors and 21 conference titles.

Under Grimes' leadership in 2012, Bjorn Barrefors earned two first-team All-America honors, the 2012 Big Ten Men's Decathlon title and broke the Nebraska school record for the decathlon with 7,897 points at the Big Ten Conference Championships. Barrefors' also finished second in the heptathlon at the 2012 Big Ten Indoor Championships. He continued to lead Nebraska academically as he earned CoSIDA Academic All-America honors for the third consecutive year.

In addition to Barrefors' success in 2012, Grimes also guided the Husker pole vaulters to another successful season. Breanna Bussel earned the 2012 Big Ten Indoor Championship pole vault title, while moving on to earn honorable-mention All-America accolades at the 2012 NCAA Indoor Championships. Nate Polacek finished third in the pole vault at the indoor conference championships, moving on to garner second-team All-America honors at the NCAA Indoor Championships.

Former Husker combined eventer and school record holder Chantae McMillan left her mark on the international stage in 2012, competing for the United States at the 2012 London Olympics. McMillan, who was a five-time All-American at Nebraska, finished 29th overall in the women's heptathlon for the United States.

Grimes led NU's combined eventers to another stellar season in 2011, as three athletes garnered four All-America accolades. Chantae McMillan once again swept the women's events at the conference level, earning her second-straight pentathlon and heptathlon titles. Her win at the conference outdoor meet extended the Huskers' streak to seven years. She went on to tally her fourth All-America award by finishing second in the pentathlon at the 2011 NCAA Indoor Championships. Natalie Willer was also a standout for the Huskers in 2011, as she became a three-time All-American pole vaulter, with solid performances at both the NCAA Indoor and Outdoor Championships. Willer also swept the Big 12 women's pole vault titles, notching top finishes during both the indoor and outdoor championships. In addition, Grimes coached Nate Polacek to his first All-America honor with a fourth-place finish in the pole vault at the NCAA Indoor Championships.

The Huskers combined eventers showed their dominance at the conference meet in 2010, as McMillan swept the women's events. McMillan became the second straight Husker to sweep the pentathlon and heptathlon, after Megan Wheatley achieved the feat in 2009. McMillan also extended the Huskers' winning streak in the heptathlon to six years at the conference outdoor meet. At the NCAA Outdoor Championships, McMillan earned her third career All-America honor with her first career award in the heptathlon, while Willer became an All-America pole vaulter for the first time in her career.

The 2009 season was arguably Grimes' most successful year at NU, as six of his athletes qualified in 11 events at the NCAA Championships, including four athletes who qualified for both the indoor and outdoor national meets.

Grimes' squads were well represented at the 2009 NCAA Indoor Championships, as four of the five athletes he sent to the meet came home with five All-America honors, including McMillan, who earned All-America honors in the pentathlon and long jump. McMillan was joined by Wheatley (pentathlon), Seth Burney (pole vault) and Barrefors (decathlon). Just a freshman, Barrefors had a breakout year by setting the school record in the heptathlon at the national meet with a third-place score of 5,795. For his success Grimes was named Midwest Region Women's Assistant Coach of the Year by the USTFCCA.

Outdoors, Grimes' athletes earned two more All-America honors with Burney in the pole vault and Barrefors in the decathlon.

At the conference level, the Huskers continued to dominate the women's heptathlon with a Husker capturing the league crown at the Big 12 Outdoor Championships. Wheatley, who also won the indoor pentathlon crown, won the title for the second straight year after Ashley Selig won titles in 2005 and 2007, with Sara Jane Baker also winning in 2006.

Along with Wheatley's two conference titles in 2009, the Husker pole vaulters excelled under Grimes. They won three of the four conference titles. Willer swept the women's crowns, while Burney won his first Big 12 title at the outdoor meet.

As a sophomore in 2009, Willer thrived under Grimes by breaking seven pole vault records, including NU's indoor and outdoor records. A native of Elkhorn, Neb., Willer also broke the American Junior record (14-4 1/2) and won the Pan-Am Junior Championships with a meet-record vault of 14-1 1/4.

In 2008, Grimes produced five NCAA qualifiers for the outdoor championships, while Wheatley produced the program's fourth straight heptathlon championship at the Big 12 Outdoor Championships in Boulder, Colo.

Grimes sent eight athletes to the 2007 NCAA Outdoor Championships, including Brysun Stately, the nation's top-ranked competitor in the women's pole vault, and Selig, who earned her fifth All-America finish at the meet.

Stately became only the third Husker women's All-American in the pole vault with a seventh-place finish at the NCAA Indoor Championships. Later in the year she shattered the then-outdoor school record with a mark of

14-3 1/4 during the Kansas Relays.

Selig became the first athlete in Big 12 history with four conference crowns in the combined events. Teammate Jenny Green, who joined Stately competing for NCAA honors in the women's pole vault, earned the same distinction with her fourth Big 12 victory in the vault.

While the Husker women's pole vault and combined events groups flourished, his men's athletes also showed tremendous success at both the national and conference levels. With the addition of men's decathletes Lee Martin and Skyler Reising, NU led all NCAA squads with four total men's and women's entries in the combined events at the national meet in 2007.

Overall, five Husker combined event athletes and three NU vaulters advanced to either the NCAA indoor or outdoor meets in Grimes' second year.

Grimes experienced an incredibly successful first season at Nebraska in 2006 after joining the Huskers in the fall of 2005. His athletes combined to earn five All-America honors in his first year while helping the men's and women's squads place among the top 20 at both NCAA Indoor and Outdoor Championships.

A native of Jefferson City, Mo., Grimes has helped several athletes flourish on the national level during his 24 years of coaching, as his resume boasts 23 All-America athletes who have earned 35 individual honors. Included among the group is two-time NCAA champion Sevatheda Fynes, who Grimes directed to national wins in the 100- and 200-meter dash events at Michigan State.

Grimes brought a wealth of recruiting and coaching experience on the NCAA Division I level with him to Nebraska. He previously served seven seasons as a Washington State assistant and was in charge of the men's and women's vertical and horizontal jumps. While with WSU, Grimes tutored pole vaulters Tamara Diles and Tyson Byers to NCAA All-America careers. Matt Mason set an indoor school record of 26-6 1/4 on his way to a sixth-place finish at the NCAA indoor meet in 2004, and Demetrius Murray claimed a silver medal in the triple jump at the 2000 NCAA outdoor meet.

Prior to his post with WSU, Grimes served as interim head women's track coach at Michigan State in 1996, before being named the Spartans' interim Director of Women's Track and Field and Cross Country. He remained in his interim post with MSU until 1998, when he was hired by Washington State. In his first season with the Spartans, Grimes coached an NCAA champion and three All-Americans.

A three-time NCAA Division II All-America pole vaulter at Abilene Christian University, Grimes was a key contributor on four Division II national championship teams. After exhausting his eligibility, he served as an assistant coach for the Wildcats in 1989. Grimes later coached in a graduate assistant role at Missouri from 1990 to 1991. Between his time at Missouri and Michigan State, he spent five years (1992-96) as an assistant in charge of jumps and combined events at Louisiana-Monroe.

Grimes is a U.S. Track and Field Coaching Education Level II Instructor. He is currently pursuing his Level III certification.

Grimes received his master's degree in education with concentrations in sport psychology/biomechanics from Missouri in 1992 and his bachelor's in education from Abilene Christian in 1989, concentrating on psychology/physical education. He is married to Tami Micham Grimes, a former distance runner at ULM and an All-Big Eight cross country runner at Missouri. They have two sons, Kristofer and Jack, and a daughter, Anna.

T.J. Pierce

Director of Operations

11th Season at NU
Nebraska (1996)

T.J. Pierce returns for his eighth year as a member of the Nebraska track and field staff as the program's director of operations. In addition to serving as the Husker meet director for all home competitions, his duties include team travel, scheduling of meets and office administration.

Pierce returned to his alma mater in 2005 after serving as the horizontal jumps and pole vault coach at Kent State for four years, where he coached four All-America athletes. Prior to joining Kent State, Pierce served one season as the sprint, hurdle, vertical jumps and multi-event coach at Central Florida, where his athletes set 11 school records and earned 12 all-conference honors during his only season in Orlando.

After completing his career as a Husker pole vaulter in 1997, Pierce spent three seasons as an assistant recruiting coordinator at NU.

A three-time academic All-Big Eight/12 selection, Pierce received his bachelor's degree in mathematics education from Nebraska in 1996.

Shawn Eichorst

Director of Athletics (First Year)

Wisconsin-Whitewater (1990)

Shawn Eichorst was named the 14th athletic director in the history of the University of Nebraska by Chancellor Harvey Perlman on Oct. 4, 2012. Eichorst was formally introduced as the Special Assistant to the Chancellor on Oct. 9.

Eichorst replaces legendary coach and athletic director Tom Osborne on Jan. 1, 2013. Osborne announced his retirement as Nebraska's athletic director on Sept. 26, after spending five years in the role.

Eichorst said he was honored to get the privilege to be a part of Nebraska Athletics.

"(Nebraska is) one of the great universities in America and one of the strongest athletic departments in all of college sports who has the welfare of its student-athletes at the heart of everything they do. I am humbled by both the responsibility and opportunities that lie ahead. I hope to carry on the rich tradition of Husker excellence set by Coach Osborne and so many others."

Nebraska Chancellor Harvey Perlman said it was Eichorst's commitment to putting student-athletes first that made Eichorst stand out.

"When I asked him how, if he were here five years from now, would I be able to measure his success, his response was that if the coaches and student-athletes had been successful and nobody knows his name, it would be a success."

Eichorst comes to Nebraska after spending 18 months as the athletic director at the University of Miami. He was named the 12th athletic director at Miami on April 12, 2011.

Eichorst went to Miami after serving from 2009 to 2011 as the Deputy Athletic Director at the University of Wisconsin, where his responsibilities under Director of Athletics Barry Alvarez included serving as the department's Chief Operating Officer and overseeing the day-to-day operations of the highly successful athletics program.

During Eichorst's time at the University of Wisconsin, the Badger athletic department consisted of 23 intercollegiate programs, 850 student-athletes, 320 full-time employees and operated from a \$90 million budget.

Eichorst was involved in the design and planning of a new \$36 million ice hockey/swim facility that was completed in the fall of 2012, as well as with the student-athlete performance center in the north end zone of Camp Randall Stadium which began construction in the fall of 2011 at a cost of more than \$70 million. He joined the Badgers' staff in 2006 as a Senior Associate Athletic Director and was promoted to Executive Associate Athletic Director in 2007.

In his first year as Director of Athletics at Miami, Eichorst helped grow the academic reputation of an already sterling program with NCAA Top 10 recognition in Academic Progress Rates (APR) for five programs - football, baseball, men's diving, women's cross country and women's golf. During the 2011-12 academic year, 149 student-athletes made the Atlantic Coast Conference Honor Roll and 70 earned their degrees.

Under his watchful eye, the Hurricane Club grew by more than 500 members, surpassing 5,000 members nationwide and \$19 million in student-athlete support was generated in 2011-12.

An additional \$14.2 million in capital gifts was raised toward the Theodore G. Schwartz and Todd G. Schwartz Center for Athletic Excellence facility project, which is scheduled for completing in the fall of 2013.

During his first year, both the men's and women's basketball programs advanced to the postseason. The women posted the highest national ranking in school history (No. 5 overall) and advanced to the NCAA second round, while the men set a program record for conference wins and advanced to the NIT second round.

The women's tennis team advanced to the NCAA quarterfinals (Elite Eight) for the fourth straight season. The baseball program extended its NCAA postseason appearances streak to 40 consecutive seasons. The women's soccer team posted the first NCAA postseason win in program history, and the volleyball team advanced to the NCAA postseason for the third straight year and

finished the season ranked 15th nationally.

Other accomplishments included long-term contract extensions for head football coach Al Golden, head men's basketball coach Jim Larranaga, and head women's basketball coach Katie Meier. Eichorst also coordinated a strategic review of all operations and reorganized the senior management team. Miami enhanced branding at Alex Rodriguez Park at Mark Light Field, the BankUnited Center and inside the Hecht Athletic Center. New scoreboards were also added at the James L. Knight Sports Complex and Cobb Stadium.

Eichorst previously worked at the University of South Carolina, serving as the Senior Associate Athletic Director for Administration from 2004 to 2006 and as the Interim Director of Athletics in June 2005.

Working with the Gamecocks, he oversaw the department's daily operations as well as the football (Lou Holtz and Steve Spurrier) and baseball (Ray Tanner) programs. The football team was bowl-eligible each year during Eichorst's tenure, and the baseball program competed in the 2004 College World Series. Additionally, he facilitated and supervised multi-million dollar facility projects, including a state-of-the-art football training facility, partnership/sponsorship agreements and substantial department organizational and policy growth.

A native of Lone Rock, Wis., Eichorst was an all-conference defensive back, three-time letterwinner and 1990 team captain for the UW-Whitewater football team. He graduated magna cum laude in business from UW-Whitewater in 1990 and earned a law degree from Marquette University in 1995.

In 2006, he was awarded the Sports Law Alumnus of the Year by Marquette. He also is a graduate of the Sports Management Institute and serves on its Executive Committee.

Eichorst practiced law in Milwaukee until 1999, when he was hired by UW-Whitewater as Director of Athletics, which he led until 2003. Under his tenure, UW-Whitewater developed into one of the nation's top Division III athletic programs, with four top 10 percent National Association of Collegiate Directors of Athletics (NACDA) Directors Cup finishes; one NCAA team championship; four NCAA team national runner-up finishes and seven individual NCAA champions. The program also featured an NCAA Student-Athlete of the Year for Wisconsin, 84 All-Americans, 38 Academic All-America selections and nine NCAA Postgraduate Scholarship winners.

He is a past member of the NCAA Division I Student-Athlete Reinstatement Committee and State Bar of Wisconsin Board of Governors. He also previously served as an assistant adjunct professor of law at Marquette University Law School, where he taught classes in sports law. He currently serves on the Marquette University National Sports Law Institute Board of Advisors.

Eichorst and his wife Kristin have three sons: Jack, Joseph and Bennett.

Jamie Williams

Associate A.D./Diversity & Leadership

First Year at NU

Nebraska (B.S. 1990)

Dr. Jamie Williams joined the Nebraska Athletic Department staff in June as the Huskers' Associate Athletic Director of Diversity and Leadership Initiatives. Williams is a former Nebraska and NFL football standout who brings a highly diverse background of professional success to Nebraska.

In his role at Nebraska, Williams is responsible for facilitating all diversity and inclusion programs within the athletic department. He also assists in developing and facilitating a leadership development program for department staff and student-athletes, and manages and facilitates the athletic department strategic plan, among other duties.

Williams joined Nebraska after spending six years as the Director of Athletics at Academy of Art University in San Francisco. Before Williams' hiring, Academy of Art did not have an intercollegiate athletic program. Williams and his small staff created a fully functional NCAA Division II athletic department, serving more than 200 student-athletes in 16 sports, while also spearheading the creation of institutional control for the athletic department.

"Jamie Williams brings an unusual breadth of experience to our department," former Nebraska Athletic Director Tom Osborne said. "He was a fine student-athlete here, played more than a decade in the National Football League, and then continued his education and received a doctorate degree in organization and leadership. He built the athletic program at Academy of Art University from the ground up, and was successful there. We greatly value everything Jamie brings to our department."

Williams' association with Nebraska began as a tight end on Osborne's football team from 1979 to 1982. Williams was a four-year letterwinner for the Cornhuskers and earned All-Big Eight honors in both 1981 and 1982. Williams caught 44 passes for 516 yards and seven touchdowns in his career, and was part of Big Eight championship teams in 1981 and 1982. Williams was inducted into the Nebraska Football Hall of Fame in 1993.

Following his Nebraska career, Williams was a third-round draft pick of the New York Giants, and went on to play 12 seasons in the NFL. Williams played with the St. Louis Cardinals (1983), Houston Oilers (1984-88), San Francisco 49ers (1989-93) and Los Angeles Raiders (1994). He was a co-captain for San Francisco for four seasons and was a part of the 49ers Super Bowl XXIV championship team. Williams was twice named his team's Man of the Year during his career.

Following his playing career, Williams embarked on a successful professional career that includes work in the film industry as a writer, director, screenwriter and actor. Williams gained his most notoriety in the film world for his role as a writer, technical director and actor in *Any Given Sunday*. Williams also has extensive work as a management consultant/executive coach working with numerous organizations in the Northern California area, including VISA USA and Yahoo.

A 1990 Nebraska graduate with a bachelor's degree in journalism, Williams continued his education following his football career. He received his Masters of Science in Mass Communication from San Jose State University in 1993, and a Doctorate of Education in Organization and Leadership, including an emphasis in sports administration, from the University of San Francisco in 2000.

Williams and his wife, Charlotte, have a son, Evan, and a daughter, Raven.

Bob Burton

Associate A.D./Senior Administration

15th Year at NU

Nebraska (B.S. 1985, J.D. 1989)

Associate Athletic Director Bob Burton joined the Nebraska athletic department in 1998. He spent 10 years as associate athletic director for compliance/sports administration from 1998 to 2007.

Burton is responsible for the direct administrative supervision to the sports of golf, tennis, men's gymnastics, track and field, cross country, bowling, wrestling and swimming and diving. He also oversees the operation of Haymarket Park. Working with the Lincoln Saltdogs, he helps set the budget for field and stadium operation costs and create strategic plans for the facility.

Burton is a member of the athletic department's executive team, which helps set policy, develops short- and long-term goals and objectives, and creates strategic plans for the department. Burton also reviews and monitors compliance with all contracts for the athletic department.

Burton filled a similar position at Oklahoma State as the assistant athletic director for sports administration and compliance from 1993 to 1997. He oversaw OSU's Olympic sports programs as well as the training and strength and conditioning, wrestling, men's and women's track and field and men's and women's tennis programs.

Burton came to Nebraska from Texas Tech, where he served as an associate athletic director for compliance for one year. While at Texas Tech, Burton helped complete the NCAA investigation into the Red Raider athletic department and analyzed the entire compliance system at the institution. He also helped identify and implement financial aid and eligibility systems, including changes in personnel and restructuring of the compliance department.

Burton, who was a member of the NCAA Division I women's soccer committee for three years and was a member of the NCAA Division I bowling committee, served as a legislative administrator for the NCAA from 1989 to 1993. At the NCAA, he was involved in the development of legislation, interpretation of regulations and reviewed legal issues related to the application of the association's regulations. He served as an NCAA liaison to committees and conducted comprehensive education to several intercollegiate athletic conferences. He has served on the National Association of Athletic Compliance Coordinators Executive Committee and the subcommittee of Big 12 Directors of Compliance.

He received his bachelor's degree in finance from Nebraska in 1985 and his juris doctorate from the Nebraska College of Law in 1989. A native of Falls City, Neb., Burton and his wife, Krista, have a daughter, Elly, and sons Robert Falk, McClain John and Abram Lawslo.

Pat Logsdon

Associate A.D./Senior Woman Administrator

34th Year at NU/Fifth as Senior Woman Administrator

Nebraska (1989)

A member of the Nebraska Athletic Department since 1979, Pat Logsdon was promoted to senior woman administrator on March 7, 2008, in addition to her duties as associate athletic director for administration. She previously served in the role of assistant athletic director.

Logsdon's duties include oversight on all administrative issues and operational functions of the Athletic Director's office; oversight in the areas of administration, athletic medicine, nutrition, football operations, softball, women's gymnastics and rifle; developing and implementing administrative policies and procedures, assisting with strategic planning, reviewing and maintaining game and coaching contracts and oversight of the administrative budget. Previously, Logsdon spent six seasons as NU's director of football operations, the first female in Division I to serve in that capacity. She handled organization of all recruiting functions, supervised compliance activities and coordinated all football administrative operations, including travel and practice operations. Logsdon served three years as assistant to the director of football operations and 14 seasons as the football recruiting secretary.

Logsdon received a bachelor's degree in education from Nebraska in 1989.

Men's Letterwinners

NOTE: Letterwinner lists are not available for 1892-97, 1903, 1905 and 1976. The year listed is for each letter won. For example, a listing of 1924-26 means that a letter was earned in both 1924 and 1926 but not in 1925. Corrections, with documentation, may be sent to the Nebraska Media Relations Office, One Memorial Stadium, P.O. Box 880123, Lincoln, NE, 68588-0123.

FACILITIES USE RESTRICTIONS

The University of Nebraska-Lincoln has an interest in protecting its facilities, property and reputation associated with its intercollegiate sports. Therefore, no person shall be permitted to access or use the arenas, facilities and other University of Nebraska intercollegiate athletic venues without first securing the permission of the Athletic Director or his/her designee. The only exception is an individual who records an image (e.g. photograph, videotape) for his/her non-commercial personal use. In no case shall any person be permitted to use these venues for the purposes of promoting the sale or manufacture of alcohol or tobacco or the promotion of any venture associated directly or indirectly with legal or illegal gaming or gambling.

Media Relations Contact

Hilary Winter joined the Athletic Department as an assistant media relations director in August of 2011, after previously serving as an intern and student.

Winter is the primary media relations contact for Nebraska's volleyball team as well as the track and field team.

Previously, she worked with the women's gymnastics team for three seasons. Winter has hosted the NCAA Women's Gymnastics Championships and the Big 12 Women's Gymnastics Championships.

Winter has also served for three years as a member of the NCAA's Men's College World Series Media Coordination Team.

Winter graduated from the University of Nebraska in May of 2011 with a degree in advertising and public relations.

Covering the Huskers

The University of Nebraska Media Relations Office is dedicated to helping members of the media in their coverage of the Husker track and field program. In addition to this guide, updated releases, statistics, feature ideas, photographs, travel plans and video highlights may be obtained by contacting the Media Relations Office at (402) 472-2263. Please review the following policies and services that are intended to assist you in your coverage of Nebraska track and field this season.

Interviews

All interviews must be arranged through the Nebraska Media Relations Office, preferably 24 hours in advance by calling Hilary Winter at (402) 472-7781. The best time to interview athletes and coaches is before or after afternoon practices. Generally, Nebraska will practice from 3 to 5:30 p.m. on weekdays. In addition to pre- or post-practice interviews, the best time to reach Head Coach Gary Pepin for interviews during the week is from 9 to 11:30 a.m. at (402) 472-6468.

Media Access

Working media personnel are seated on press row, located in the southeast corner of the Devaney Center Indoor Track, but seating is limited. At the Ed Weir Track Stadium, press row is located on the north concourse of Memorial Stadium, which overlooks the west end of the track.

Media Services

For all meets wireless internet and a copy machine are available. A fax machine is available at the Devaney Center Track and requests should be made to a Media Relations representative before the meet.

Huskers on the Internet

Nebraska track and field notes, current releases, athlete biographies and updated statistics can be found on the web throughout the season. The Nebraska home page can be accessed at Huskers.com. The Big Ten Conference's official web site is located at bigten.org.

University of Nebraska Campus Map

FROM LINCOLN

Municipal Airport:

Turn right on Northwest 12th Street as you drive out of the airport. Northwest 12th becomes Cornhusker Highway, which intersects with Interstate 180. Exit south (downtown) onto I-180, which turns into one-way, southbound Ninth Street in downtown Lincoln. Turn left at P Street (just past the Lincoln Journal Star building), go one block and turn left on 10th Street, then keep to the right for four blocks to Memorial Stadium (DO NOT enter I-180 north).

FROM OMAHA

Eppley Airfield:

Follow the signs from downtown Omaha and Interstate 480. Take I-480 west to Interstate 80, then take I-80 west approximately 60 miles to I-180. Exit south (downtown) on I-180, which turns into one-way, southbound Ninth Street in downtown Lincoln. Turn left at P Street (just past the Lincoln Journal Star Building), go one block and turn left on 10th Street, then keep to the right for four blocks to Memorial Stadium (DO NOT enter I-180 north).

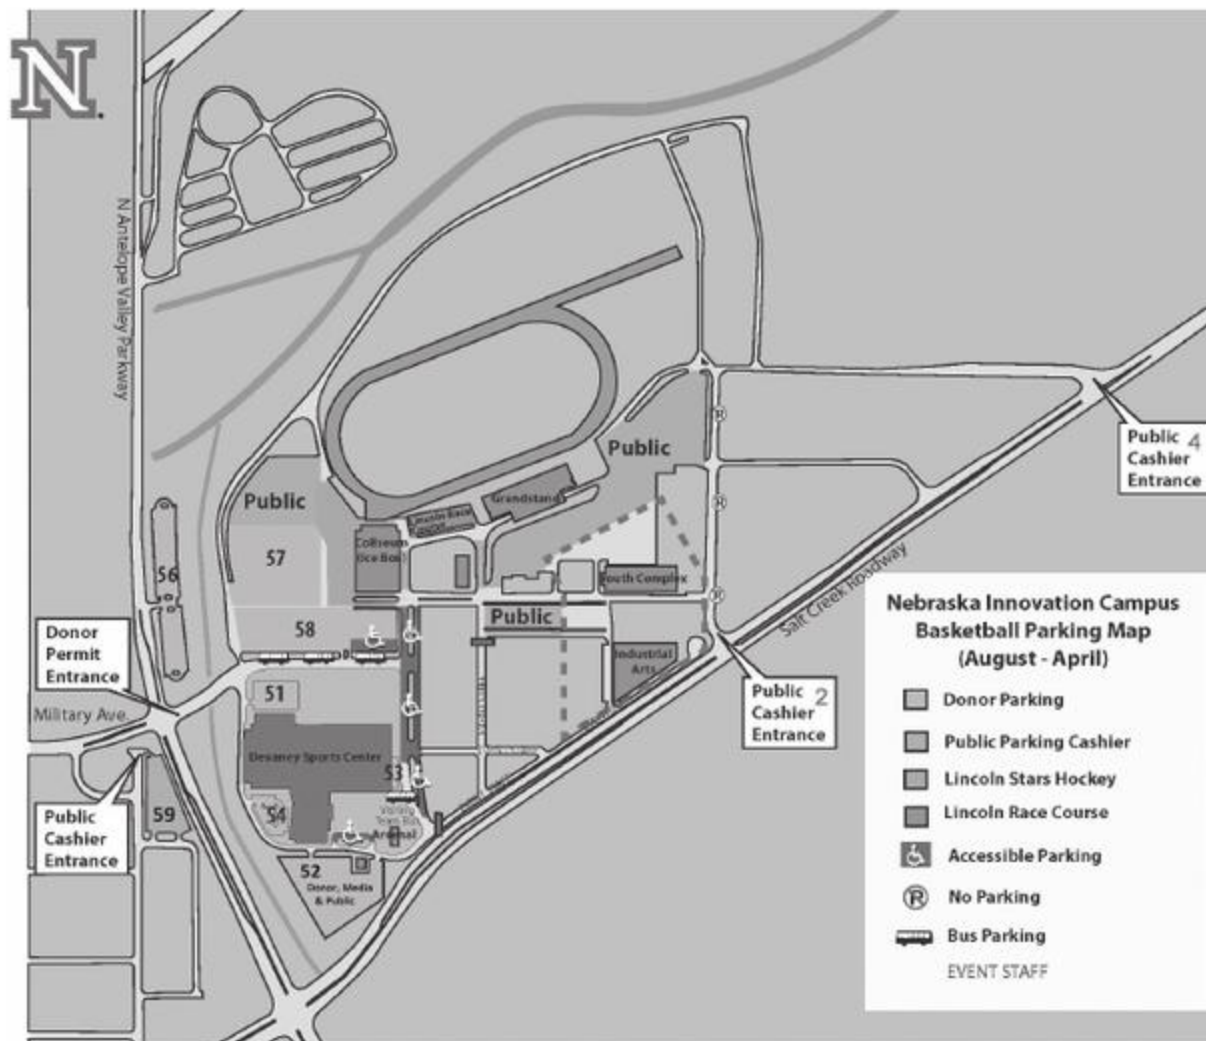

MEDIA PARKING & WILL CALL

Media passes that are not mailed may be picked up at the Will-Call window, located at the north entrance of the Devaney Center Indoor Track.

Parking for the media is located next to and across the street from the Bob Devaney Sports Center in a portion of Lot 52. Enter on 14th Street and follow west side of Devaney Center.

BOB DEVANEY SPORTS CENTER DIRECTIONS

The Bob Devaney Sports Center is located on the west edge of the Nebraska's new Innovation Campus. To reach it from the Lincoln Municipal Airport, turn right on Northwest 12th Street as you drive out of the airport. Northwest 12th Street becomes Cornhusker Highway, which intersects with 14th Street (Antelope Valley Parkway). Exit south on 14th Street (Antelope Valley Parkway) off Cornhusker Highway. Travel to Military Avenue and turn left. Continue a half mile and enter Innovation Campus. Take the first right turn before the Devaney Center and follow the access road to Lot 52 on the South Side of the arena. From Omaha's Eppley Airfield, follow the signs to downtown Omaha and I-480. Take I-480 West to I-80, then take I-80 West approximately 60 miles to I-180. Exit South on I-180, then exit East to Cornhusker Highway and follow the instructions above.

The Big Ten Conference

Formed more than 116 years ago, the Big Ten Conference is an association of world-class academic institutions with shared values and goals. Since its inception in 1896, the pursuit and attainment of academic excellence has been the priority for every member institution. However, maintaining the conference's status as one of the preeminent athletic conference's in the country also endures as an important component of the Big Ten student-athlete experience. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its student-athletes not only on the field and in the classroom, but around the world as well.

Commissioner

Academics

All Big Ten Universities have been granted Tier One Status by the Carnegie Foundation for the Advancement of Teaching, a distinction awarded to just over 100 universities in the country. Big Ten schools have produced more than 1,400 CoSIDA Academic All-Americans, more than any other conference, including 36 in the last academic year. The Big Ten leads all conferences with the highest number of ranked graduate school programs among the top 25 according to U.S. News and World Report in 2012. The Big Ten ranks first with 30 top-25 programs in the fields of law, medicine (research and primary care), business and engineering.

Successful Programs

During the 2011-12 season, the Big Ten claimed seven team national championships, including titles for Illinois men's gymnastics, Minnesota women's ice hockey, Northwestern women's lacrosse, Ohio State fencing and synchronized swimming, Penn State wrestling and Wisconsin men's cross country. The Big Ten led all conferences with national titles in 12 different NCAA-sponsored championships from 2002-03 to 2011-12. Over that time period, the Big Ten produced championships in cross country, fencing, golf, gymnastics, ice hockey, lacrosse, soccer, softball, tennis, track and field, volleyball and wrestling.

Student-Athlete Opportunities

Big Ten universities provide over \$136 million in direct financial aid to more than 10,000 student-athlete, more than any conference. The Big Ten sponsors 25 official conference sports, 12 for men and 13 for women. The 26th conference sport, men's ice hockey, will begin in 2013.

Television Exposure

The Big Ten's media agreements with CBS Sports, ABC/ESPN, FOX Sports and the Big Ten Network (BTN) provide the conference with its greatest television exposure ever. Nearly 1,000 Big Ten events are produced and distributed nationally on an annual basis. In 2006, the Big Ten created the first national conference-owned television network. The Big Ten Network launched on Aug. 30, 2007, and now is in its sixth year of operation. It is available to 90 million homes in the United States and Canada, through agreements with more than 300 cable, satellite and telco providers. It is also available in 20 countries.

Honoring Legends. Building Leaders.

The mission of the Big Ten Conference has always been to excel athletically without compromising the priority our member institutions assign to their academic standards and to their commitment to student academic success. We seek to celebrate the many accomplishments of Big Ten student-athletes while continuously reinforcing each of our member institutions' high academic standards. Striking that important balance between academics and athletics is integral to the Big Ten's identity, and the Big Ten's "Honor Legends. Building Leaders" campaign links directly to the Big Ten mission.

Big Ten Conference Highlights

- Big Ten universities provide approximately \$136 million in direct financial aid to more than 10,000 men and women student-athletes who compete for 25 championships.

- Conference institutions sponsor broad-based athletic programs with 298 teams. Other than the Ivy League, the Big Ten has the most broad-based athletic programs in the United States.
- Big Ten fans are some of the nation's most supportive, with nearly 10 million patrons attending conference home contests for football, men's and women's basketball and volleyball during 2011-12. In 2011, the Big Ten set attendance records for overall and average attendance in conference football games. In men's basketball, the Big Ten led the nation in average home attendance for the 36th straight season, while Big Ten women's volleyball also led the nation in total home attendance.
- Big Ten institutions have more than 4.5 million living alumni and 320,000 undergraduate students attending their universities.
- Based on the U.S. Census projected population for 2010, the nine-state Big Ten region accounts for approximately 70 million people, which ranks second only to the Big East and well ahead of the ACC, SEC, Pac-12 and Big 12.

Compliance Guidelines for Boosters

The University of Nebraska Athletic Department takes great pride in abiding by the National Collegiate Athletic Association (NCAA) and the Big Ten Conference rules and guidelines that govern Division I competition. For the benefit of the many alumni, fans and booster club members who are so active in supporting and assisting the Huskers throughout the year, we would like to remind everyone of a few definitions and rules that apply to all athletic representatives and boosters.

NCAA PRINCIPLES

Institutional Control

It is the responsibility of the University of Nebraska to control its intercollegiate athletic program in compliance with the rules and regulations of the NCAA.

Responsibility

The University of Nebraska's responsibility for the conduct of its program includes responsibility for the actions of its staff members and for the actions of any other individual, booster or organization engaged in activities promoting the athletic interests of the institution.

Compliance

The University of Nebraska must monitor its program to assure compliance and to identify and report to the NCAA instances in which compliance has not been achieved. An institution found to have violated NCAA rules is subject to disciplinary and corrective actions as determined by the NCAA.

QUESTIONS AND ANSWERS FOR FANS, BOOSTERS, ALUMNI AND REPRESENTATIVES OF ATHLETIC INTERESTS

DEFINITIONS

Q: What is a booster?

A: Someone who belongs to a University of Nebraska athletic booster club; promotes or makes financial donations to the athletic department or a specific Husker team; assists in the recruitment of prospective student-athletes; employs, gives benefits to, or provides services to a student-athlete, a prospective student-athlete or the relative/friends of either.

REPRESENTATIVE OF ATHLETIC INTEREST (I.E. BOOSTERS), NCAA BYLAW 13

Q: Who is a Prospective Student-Athlete?

A: A prospective student-athlete is a student who has started classes for the ninth grade or above, including students in prep schools and junior colleges as well as students who have officially withdrawn from a four-year institution and plan to transfer to another institution. In addition, a student who has not started classes for the ninth grade becomes a prospective student-athlete if the institution or a Nebraska booster provides the individual or the individual's relatives or friends with any financial assistance or benefits that the institution does not provide to prospective students in general. A good rule of thumb is to treat ALL STUDENTS as prospects.

Q: Who is a Student-Athlete?

A: A student-athlete is a student whose enrollment was solicited by a member of the Nebraska athletic staff or other representative of athletic interests with a view toward the student's ultimate participation in the intercollegiate athletic program.

Q: What is Contact?

A: Contact is ANY face-to-face encounter between a prospect, or the prospect's parent or legal guardian, and a Nebraska staff member or athletic representative during which any dialogue occurs.

Q: What is Recruiting?

A: Recruiting is any solicitation of a prospect or a prospect's family member (or guardian) by an institutional staff member or by athletic representative of the institution, for the purpose of securing the prospect's enrollment and ultimate participation in Nebraska's intercollegiate athletic program.

GUIDELINES

Q: Who is a Booster?

A: Someone who belongs to a University of Nebraska athletic booster club; promotes or makes financial donations to the athletic department or a specific Husker team; assists in the recruitment of prospective student-athletes; employs, gives benefits to, or provides services to a student-athlete, a prospective student-athlete or the relative/friends of either.

REPRESENTATIVE OF ATHLETIC INTERESTS (I.E., BOOSTERS), NCAA BYLAW 13

Q: What constitutes impermissible contact by a Booster?

A: Phone calls to prospects (9th to 12th grade) and their relatives placed for recruiting purposes (questions about the athletic program at Nebraska must be directed to the coach); writing, paging, text messages or instant messages to a prospect to encourage Nebraska attendance; contact with a prospect at a high school or club contest; contact with a prospect or his/her coach, principal, or counselor to evaluate the prospect; visiting the prospect's educational institution to pick up videotape or transcripts for evaluation purposes; contacting a prospect to congratulate him/her for signing a National Letter of Intent to attend Nebraska; giving anything of value to a prospect to induce him/her to attend Nebraska; contact of any kind while the prospect is on the Nebraska campus for an official or unofficial visit.

RECRUITING CONTACTS, NCAA BYLAW 13

Q: What are the rules of employment for a student-athlete?

A: A student-athlete may be employed during the academic year or summer vacation period; receive compensation equal to the going rate for similar services in the locale; receive compensation only for work performed; accept employment from more than one employer and earn unlimited income; receive benefits provided to all other employees; teach sport-related individual skill instruction or fee-for-lesson sessions. A student-athlete may not conduct personal sport camps or promote, market, advertise or endorse a commercial business or product.

Only benefits that are authorized by NCAA legislation shall be provided to and accepted by a student-athlete. It is not permissible for a student-athlete to receive a benefit that is the result of a "special" arrangement by an institutional employee, booster, employer or fan.

EMPLOYMENT, NCAA BYLAW 12

Q: What are non-permissible benefits?

A: Free or reduced-fee housing/rent including the use of vacation or seasonal homes; free or reduced-fee meals; loans or cash advances in pay or salary; tuition costs or school supply expenses; gifts or presents of any type regardless of the occasion or purpose; use of telephone for long distance or use of telephone cards and cell phones; free use of any motor vehicle, boat or recreational vehicle; free use of services (i.e., automobile repair, hair care, laundry, copying, faxing, etc.); free or reduced-fee memberships at golf course, health clubs, etc. (This list is not exhaustive. Only benefits that are authorized by NCAA legislation shall be provided to and accepted by a student-athlete. It is not permissible for a student-athlete to receive a benefit that is the result of a "special" arrangement by an institutional employee, booster, employer or fan).

BENEFITS AND PREFERENTIAL TREATMENT, NCAA BYLAW 16

Q: What types of promotional activities may the student-athlete be permitted to participate?

A: Charitable, educational or non-profit promotions and events with requested approval from the Athletic Compliance Office prior to the event.

Q: What types of promotional activities are not permissible?

A: Any fundraising activity that supports a high school organization or group that assists prospective-aged students; use of his/her name or picture; or appear to promote or market a commercial business or product.

NU Relay Club Members

One of the groups most instrumental in helping the University of Nebraska Track and Field program grow in stature and prominence is the NU Relay Club. Contributions from the Relay Club members have enabled the Cornhuskers to build a fine grant-in-aid program, and continued support from the Relay Club will ensure that Nebraska will always hold a prominent place, both on the conference and national levels. The University of Nebraska track program salutes the many members of the Relay Club and takes this opportunity to say a sincere "thank you." If you are interested in joining the Relay Club and supporting the Huskers, please contact the Nebraska Track and Field Office at (402) 472-6461, or go to the booth located at the track during meets.

2013 Relay Club Membership

Dear Prospective Relay Club Members:

On behalf of our staff and the student-athletes of the Nebraska track and field team, I want to take this opportunity to thank those who have contributed to our program in the past. The athletes on our team will realize valuable benefits this year from being a part of a stimulating and meaningful collegiate athletic program. Combine that with a strong academic program and hopefully these student-athletes will be prepared to lead productive lives once they have completed their degrees.

The 2012 season proved to be another typically remarkable year for Nebraska track and field and cross country athletes.

The Husker women won their first Big Ten indoor title to give us our 104th overall conference crown at the 2012 Big Ten Indoor Championships at the Devaney Center Indoor Track. Individually, our women won seven conference titles throughout the year, with our men adding another four.

On the national stage, Chad Wright made Husker history as he earned the 2012 NCAA Discus National title. The Huskers also totaled 11 first-team All-America honors at the indoor and outdoor championships.

The team continued its academic success as three Husker men were honored as CoSIDA Academic All-Americans in 2012. The group included Björn Barrefors (first team), Nate Polacek (first team) and Brett Grieb (third team).

We appreciate your support in helping us continue this rich tradition.

ED WEIR STADIUM

Outdoors, the Huskers run on a Mondo synthetic rubber surface at Ed Weir Stadium. The track is next to Memorial Stadium and the Hawks Championship Center, allowing for easy access to weight rooms, athletic medicine and indoor training facilities. The track recently underwent a \$2.33 million renovation where the entire track base and Mondo surface were replaced.

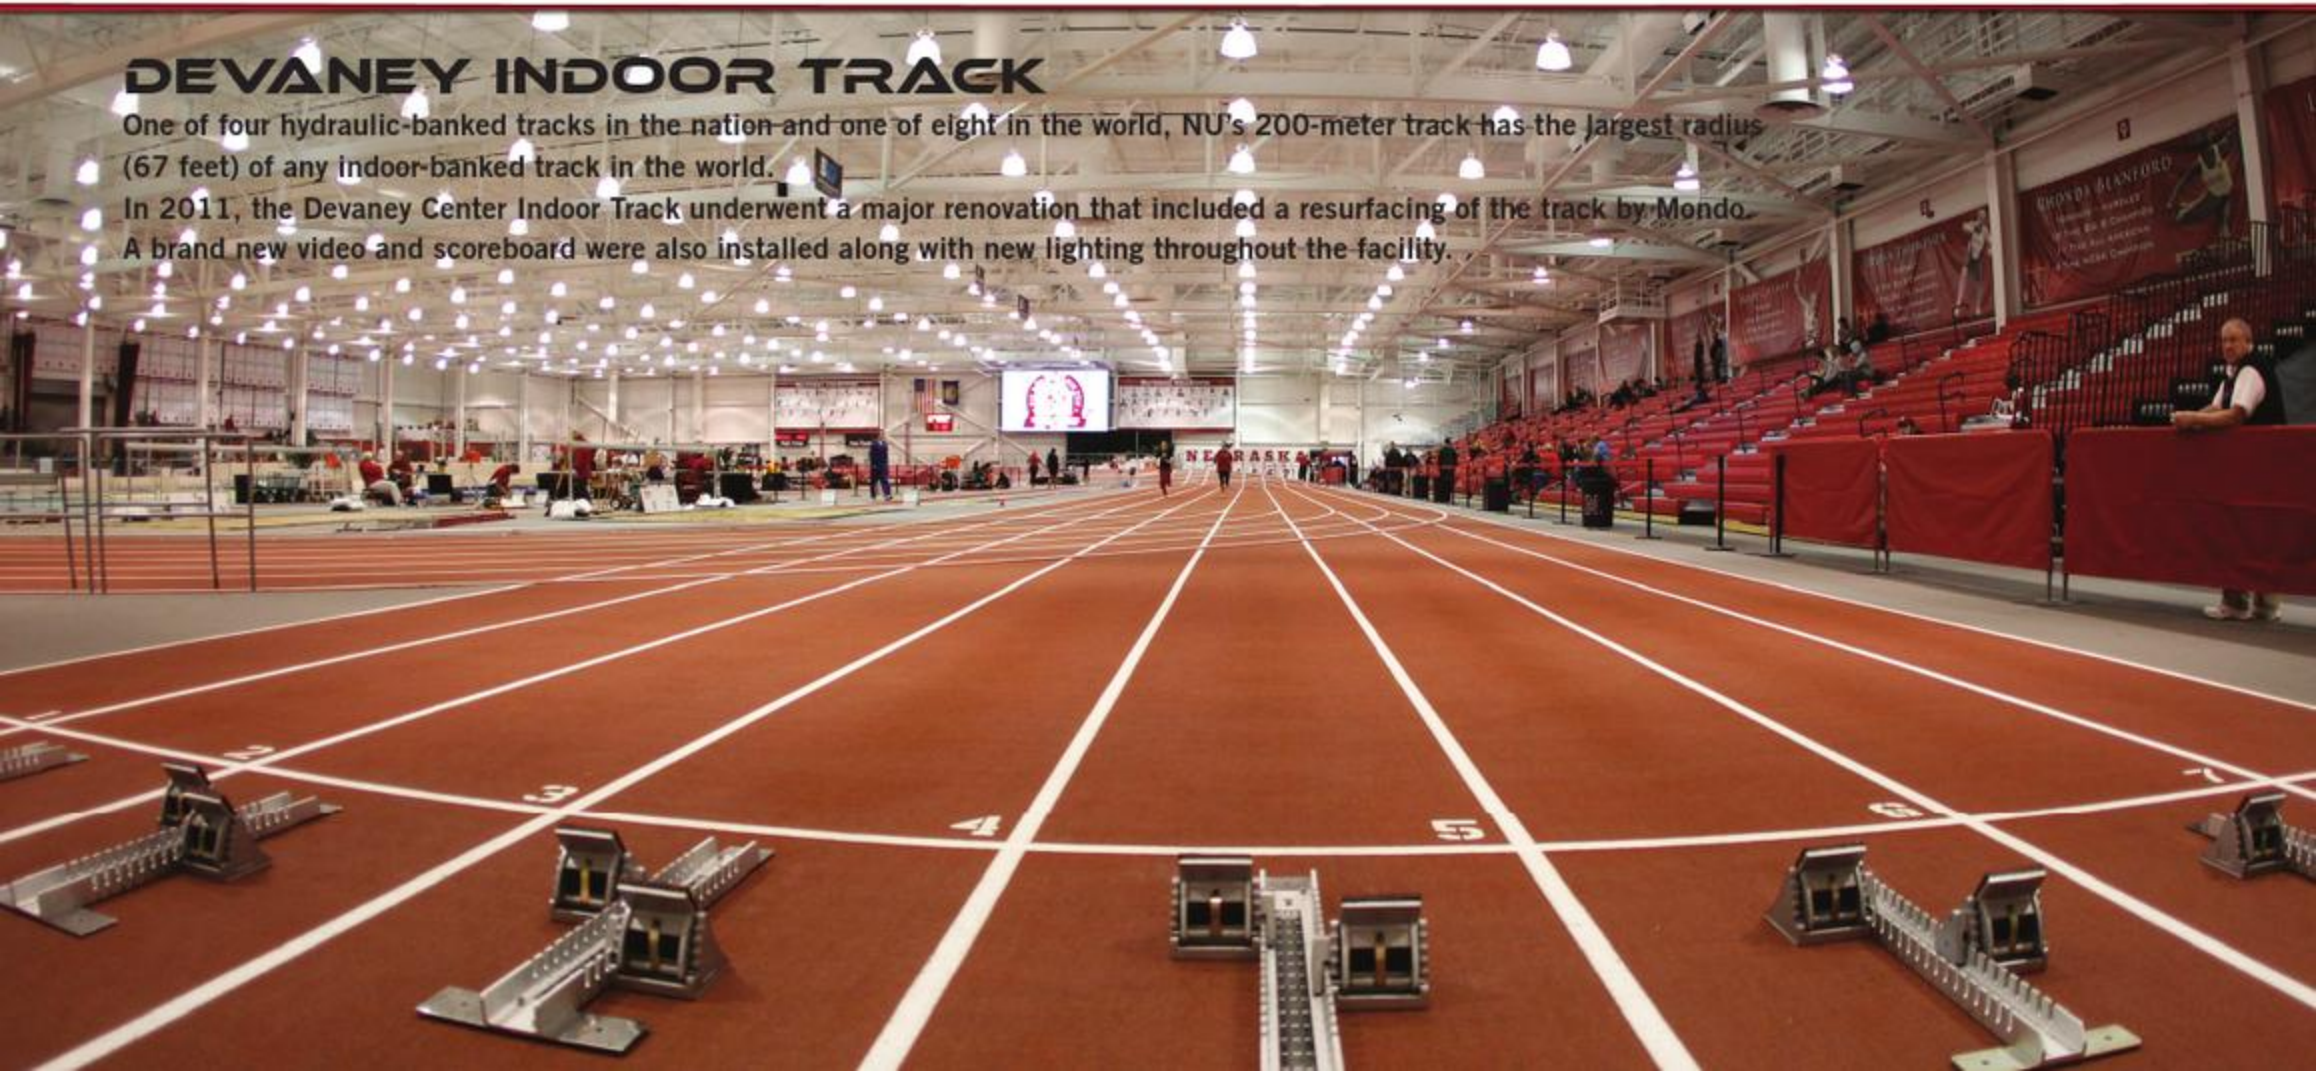

TRACK AND FIELD FACILITIES

DEVANEY INDOOR TRACK

One of four hydraulic-banked tracks in the nation and one of eight in the world, NU's 200-meter track has the largest radius (67 feet) of any indoor-banked track in the world.

In 2011, the Devaney Center Indoor Track underwent a major renovation that included a resurfacing of the track by Mondo. A brand new video and scoreboard were also installed along with new lighting throughout the facility.
